Mr. Kevin Pribramsky
426 Elizabeth Street
Key West, Florida 33040

Dear Kevin:

Thank you for taking the time to write and it was very nice speaking with you during my recent visit to Marathon. I appreciate your thoughtfulness in inviting me to visit Key West High School and participate in the alternative energy program. It is always nice to hear about students like yourself who take a serious interest in a cause, and I commend you and your classmates on your dedication.

It is an honor to serve a state full of bright minds like you, and I know that with continued hard work many opportunities will be available to you. Again, thank you for writing and my best wishes in your future endeavors.

Sincerely,

A handwritten signature in blue ink that reads "Charlie Crist".
