

July 8, 2009

Mr. Joshua Andrew Clearman  
Teacher  
2100 Flagler Ave  
Key West, FL 33040

Dear Mr. Clearman:

Work continues on preparing for Governor Crist's Serve to Preserve: Green Schools Awards Program to be held October 7, 2009, in Tampa at the Embassy Suites on the campus of the University of South Florida. The Green Schools Awards partnership is excited about the overwhelming interest in helping Florida students, schools and their communities become more environmentally friendly.

More than 1,000 people visited the website during the nomination process. More than a third began the nomination process. The range of the initiatives and quality of the work being conducted by so many across the state is inspiring. The judges have their work cut out for them.

We are writing to confirm that your nomination form was completed and it was received. You nominated: **Key West High School in Monroe County**. If this information is incorrect, please contact my office immediately and we will work to remedy the situation.

Going forward, all nominations will be screened to ensure that they meet minimum criteria. Nominations will be reviewed by at least three judges. Finalists – three in each category – will be announced at the beginning of the school year and invited to the awards dinner. The winners will be announced dinner event in Tampa in October.

We look forward to staying in touch with you as we move forward with the Governor's Serve to Preserve: Green Schools Awards Program. Thanks for helping to create a sustainable Florida.

With warm regards,

A handwritten signature in blue ink that reads "Tim Center".
