The Parent Newsletter

On behalf of the Superintendent:

Monroe County School District will continue to remain in compliance with the most recent Emergency Rule issued by the State of Florida Surgeon General. We will not be following the CDC guidance, as the Emergency Rule supersedes all county and CDC guidelines. Masks are strongly encouraged for all students and staff. Our school policies for students and staff remain in place and can be found on the MCSD website.

Visitors to our campuses are expected to be in compliance with the guidance issued by the health department and wear masks in district buildings.
