Thank you for your consideration of sponsoring a **Key West High School Band Student** by donating a **tax-deductible** monetary gift or by purchasing an advertisement in the 2023-2024 band concert program. By doing this you are helping one of 120 band students meet their individual Fair Share of Fundraising goal of \$500 per member that aims to meet our \$50,000+ solely fundraised band program budget. 100% of your contribution goes directly to supporting the individual student's Fair Share of Fundraising and other related expenses including additional travel and uniform items. Any larger donation will be credited toward all band students' Fair Share, reducing the challenge of fundraising for all members. With your support, our band students receive a quality music education and all of the rewards of this great activity that runs from August through June with over 35 public performances.
