Wendy McPherson
Principal

Monday April 18th 2022

Dear Parent/Guardian,

The Marathon Middle/ High School Mathematics Department will be holding an after school Geometry “Boot Camp” for any student enrolled in Geometry. The purpose of the camp is to help students review content material for their upcoming End-of-Course Exam. The Geometry EOC will be administered on Monday May 16th and Tuesday May 17th. The camp will be located in the media center from 2:45-3:45pm. An after school bus will be available for students. Any students not riding the bus must be picked up by 3:45pm. There will be at least 2 MHS teachers at each session to assist students on the daily concepts or to answer questions related to the topic. We strongly recommend your student attend 1 or more of these review sessions. **Students who attend 2 out of the 3 sessions of the camp will be invited to an EOC Boot Camp Party during the school day after the EOC administration.**

~ May 2022~				
Mon	Tue	Wed	Thu	Fri
2	3	4	5 Geometry Boot Camp	6
9 Geometry Boot Camp	10 Geometry Boot Camp	11	12	13
16 <i>Geometry EOC</i>	17 <i>Geometry EOC</i>	18	19	20

Please call Mrs. Richard at 289-2480 extension 55334 if you have any questions about this camp.

Sincerely,

Please sign below if your child will be attending 1 or more of the camp dates. By signing your child up for camp, it does not require that they attend all the camp dates. This is just for planning purposes only.

Student’s Name _____

_____ Yes! My child will be attending the Geometry Boot Camp.
