As a member of the team, I understand that I will be participating in organized team practices, individual practice sessions, and organized interscholastic sports competitions. I also understand that participation in these activities involves risk of injury to myself and to other participants. I am also aware that the use of illegal drugs, the abuse of legal drugs, and the use of alcohol can seriously jeopardize my safety and the safety of others and greatly increase the risk of injury.

I also understand that my performance as a participant of the team and the reputation of my school are dependent in part on my conduct as an individual and the example I set may influence other students at my school. With these considerations in mind, I hereby agree to accept and to abide by the standards, rules, and regulations established by the Florida High School Activities Association, the Monroe County School Board, and my school in relation to my participation.

I further consent to abide by the Student Athlete Drug Testing Policy, and agree to provide a urine specimen, as it may be requested outlined in that policy, to be tested for the presence of prohibited substances. I understand that if (1) I refuse to provide a valid urine specimen, (2) do not appear at the appointed time and place to provide a urine specimen, or (3) I tamper with, dilute, substitute, or alter the urine specimen I provide, I will be subject to administrative action authorized in the Student Athlete Drug Testing Policy. I further understand that a positive test result which indicates a violation of the Student Athlete Drug Testing Policy will result in consequences outlined in School Board Policy 2431.04.

I also understand that the costs for the drug testing of the urine sample(s) shall be at the expense of the school. This signed form shall be consent, in accordance with the Family Education Right to Privacy Act (FERPA) a section 228.093, Florida Statutes, for the release of the drug testing results to the school principal or the principal's designee, and for use of the results in the administration and enforcement of the Student Athlete Drug Testing Policy.

Consequences for positive drug test or use of drugs or alcohol.

Consequences include the following:

1st Positive Test/Use – The student is suspended from participation for 10 school days. During the period of the suspension, scheduled contest days that fall on non-school days (weekends, holidays, or breaks) shall count toward the 10 days. To maintain eligibility, the student is required to attend practice during the full ineligibility period and can resume participation in practice only after 5 school days. During the term of the suspension the student is not allowed to travel to away events/contests. Following the suspension, the student may not resume participating until providing documentation of successful completion (certificate of completion) of a minimum three (3) hour State-licensed and accredited drug/alcohol counseling or rehabilitation/education program. The student also must agree to submit to subsequent school-based drug tests.

2nd Positive Test/Use – The student is suspended from participation for 30 school days. During the period of the suspension, scheduled contest days that fall on non-school days (weekends, holidays, or breaks) shall count toward the 30 days. To maintain eligibility, the student is required to attend practice during the full ineligibility period and can resume participation in practice only after 20 school days. During the term of the suspension the student is not allowed to travel to away events/contests. Following the suspension, the student may not resume participating until providing documentation of successful completion (certificate of completion) of a minimum three (3) hour State-licensed and accredited drug/alcohol course including school-initiated counseling. The student also must agree to submit to subsequent school-based drug tests.

3rd Positive Test/Use – The student is suspended from participation in athletics and/or performance groups associated with athletics for the remainder of the school year.

Any results associated with the drug testing policy or use of drug/alcohol will be shared with the parents through a meeting with the parents, students and Athletic Director.
