

Kindergarten School Supplies

This year the kindergarten team is asking for a \$30 donation to cover your child's school supplies for the year. If you choose to do the donation, you will not need to purchase any supplies to send in. Your child's teacher will use the money to purchase all the supplies needed. Your child will receive folders, a journal, crayons, markers, pencils, erasers, etc. You must pay through RevTrak. See QR code or link below.
