

# GO<sup>2</sup>: Grow Our Own

## Developing Local Educators!

### Monroe County School District

The Monroe County School District in Partnership with the College of the Florida Keys

Grow Our Own or GO<sup>2</sup> is a local effort by the Monroe County School District to give employees the opportunity to earn college degrees in their area of specialty. Whether it is earning an education degree, finance degree or human resources degree, we want to invest in you and help build a stable workforce of local talent.

#### STEP 1:

Apply with Monroe County Schools.

Simply make your immediate supervisor aware of your intentions to be a part of GO<sup>2</sup> and then contact the MCSD Human Resources Department by sending an email to [Harry.Russell@KeysSchools.com](mailto:Harry.Russell@KeysSchools.com) of your intent.

#### Step 2:

Apply to attend the College of the Florida Keys

The first step is to apply, gain acceptance into the program and begin working on your AA degree or Bachelors Degree.

#### Step 3:

Apply for Tuition Reimbursement Programs

Seek out form online and follow instructions. Please note MCSD Tuition Reimbursement is not guaranteed to all participants.

*"We have great teachers, support employees and, of course, a tremendous group of experienced administrators. Our focus remains on the students and families we serve and doing our best job for them under all possible circumstances."*
