Password Locker Applications

In these applications, due to security, you will be asked to enter your username and password one time only (students and staff). The password locker will save the username and password globally.

On the desired app, right click and select update password.

Under Extension Locker, select Add (example below).

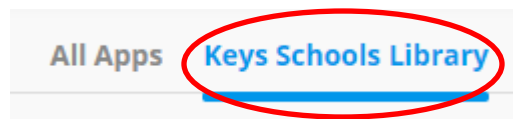

Name your locker, you do NOT need to add the web address.

Type in username and password as shown below and Save.

Close the window and single left click the Icon on your dashboard.

Application	Icon	Username	Password
Illuminate Education - Student Mcsd.illuminatehc.com		10 Digit Student ID 44000-----	44 Lunch #0 *Unless Teacher changed*
Illuminate Education- Teacher Mcsd.illuminateed.com		Last Name First Initial	User generated

Want to add an App? Use the Keys Schools Library to add an approved MCS D App.

Need Assistance with Logging In?

If you or a student is receiving an error when logging in via my.keysschools.com on a district device, please submit a help ticket as shown below.

The image shows a screenshot of the my.keysschools.com navigation menu. The menu is divided into three main sections: Teams, Resources, and Councils & Committees. The Resources section is expanded, showing options for Staff, Students, and Parents. A red box highlights the 'For Staff' option, with a white box containing the number '1.' next to it. An orange arrow points from the 'For Staff' option to the 'IT Help Requests' option in the list below. To the right of the menu, there is a list of technical support categories, with 'MY.Keysschools.Com (Classlink)' highlighted in blue. A text box above the list states: 'Select my.keysschools.com (classlink) to submit the ticket to the correct technician'.

Select my.keysschools.com (classlink) to submit the ticket to the correct technician
