MCSD is excited to announce the availability of the Classlink QuickCard sign on system for our students. The QuickCard contains a QR code that is specific to the individual and allows even our youngest students to sign on via camera on the iPad or Chromebook. Please see the directions below for use.

Teacher Console:

From my.keysschools.com, select the Class QuickCards App.

Select the class you wish to print.

SourcedId	Title	Type	Class Code	Last Modified	Action
5008070 0111 81454 04 2019 FY	HEALTH - GRADE 5-FY Nichole Matangos-050-04-5-5008070	scheduled	50080705-050		QuickCard
5020060 0111 81837 02 2019 FY	SCIENCE GRADE FIVE-FY Nichole Matangos-018-02-5-5020060	scheduled	50200605-018		QuickCard

Select students via check box on left and the select Generate QuickCard and then select Print.

Student Use (iPad):

Open the QuickCard App, and present your QuickCard to camera.

Student Use (Chromebook):

Click NEXT at the login screen, then click the QuickCard icon, and present your QuickCard to camera.
(Signing into a Chromebooks with QuickCards automatically logs the student into Classlink!)
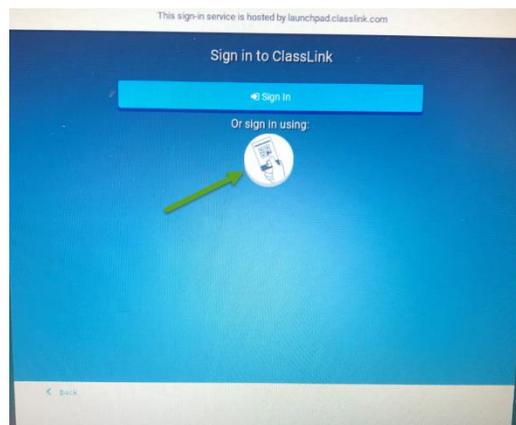

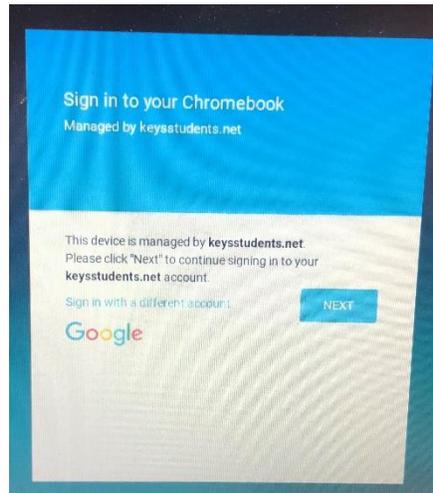

(Note: You can still sign in with email/password by clicking "Sign in with different account")
