

Sponsor a Classroom

There are many ways to support education at Poinciana Elementary School. You can volunteer, join the PTO or SAC, or you can sponsor a classroom. By sponsoring a classroom, either as a business or individual, you'll earn recognition for your contributions and support through the school website, the classrooms, and district recognitions.

To sponsor a classroom, make a donation in any amount to your child's teacher's classroom. These monies are secured at the school and used only for purchases for that teacher's classroom. Your donations can purchase new learning materials recreational equipment, art supplies, and even help with special events. Sponsors can contribute at any time of the year and in any amount.

To become a classroom sponsor, fill out the bottom portion of this form and return it along with cash, check, or money order made payable to Poinciana Elementary School. Payments can be given to the classroom teacher or directly to Jacqueline Caballero, our school bookkeeper.

Please know that we very much appreciate all that you do for this community, and your generosity will not go unappreciated. Together we will have an enriched, positive, and successful year!

Thank you,

Dr. Larry Schmiegel
Principal
