Focus on SAC- Diane Culver

Teacher Appreciation week coming up and the following ideas were discussed as an update: Christine Paul contacted Kate Chapman for a chocolate fountain for teachers; also is planning to organize a writing campaign to encourage students to write notes of appreciation to teachers; any other ideas for snacks/gifts welcome. We will revisit in April.

Focus on School- Principal Christine Paul

Dolphin Showcase was successful including students from SSE and Sugarloaf with schedule cards being collected from all incoming students.

Student elective choices help in developing new classes so administration can know where interest is. Fashion Marketing is one example of a new class being developed that will potentially lead to certification. This is a process that takes much planning and coordinating with district guidelines.

#### Open Agenda Items

Ms. Keenum reported that the SAT is being offered to all juniors this Thursday 3/7/24 and was made available to seniors as well, though there was little interest. These tests are paid by the MCSD so a great opportunity for the students. Christine Paul showed a video on how to be prepared for the test.

Ms. Paul reported that Career Day was wonderful with 30 presenters and Juniors and Seniors participating.

Meeting adjourned by Diane Culver at 6:45 pm.
