CORAL SHORES HIGH SCHOOL
Website F.A.Q.
Updated November, 1st, 2010

Students

Q: How do I log in?

A: It's simple. All students can log in using their computer ID and Password. Teachers are given their own logins.

Q: How do students access links like Pinnacle?

A: The website was arranged to ensure the utmost efficiency with navigation for students and teachers. When looking for links like Pinnacle and Gaggle, you should scroll over CSHS Students, Links and Resources, then click on the link you are looking for.

Q: What if the links I need to access are not found under Links and Resources?

A: If there is ever a link you can not access, simply send an e-mail to the CSHS Webmaster, Kay MacKenzie

Q: What are the Appointments used for under Guidance?

A: If you are unable to write your name down for an appointment with your guidance counselor/college counselor, you can fill out the form on your own time. Please allow ample time for their response.

Q: Why isn't there a page for sports? If there is one, where can I find it?

A: All sports are found under CSHS Students, Athletics, and then Athletic Schedules. The Athletic Schedule Link is not managed by the Web Design classroom, so if there is a problem with information on the page, you will need to contact the one who manages it.

Q: Why is my name not listed on the Alumni?

A: You haven't filled out the form to be added. To be added, go to Alumni and click Add Me. Fill out the form and click submit. Please allow up to a week to be added. You should only submit this form *after* you have graduated from CSHS. **Only submit this form once!**

Q: Where are the announcements?

A: There is a tab specifically made for announcements and special events. If you look to the side navigation bars, you will see a drop down for Announcements. Listed there are all major/special events and the normal announcements page.

Q: Why does my account recognize me as an animal name and color?

A: All members are given two ways of classification. "Black Buffalo" and "Tan Tiger" are just examples. You can change this when you log in (it will show a box and ask if you want to keep your nickname or use your real name). These nicknames are random and have nothing to do with the individual student.

Q: What is the Feedback Form for?

A: To keep track of any issues/glitches on the website, we created a Feedback Form that students, faculty, and parents can fill out if they have any issues.

Q: How often is the school website updated?

A: The website is updated each day. The Web Design Team works daily updating, maintaining, and molding the website so that it is easy to navigate and user-friendly. Issues are given priority under a first-come-first-serve basis.

Q: How do I contact the school?

A: Under the Contact Us drop-down menu, you can find Contact information and the Feedback form.

Q: How do I contact a teacher?

A: You can find all teacher information, (extensions, e-mails, and classes) under CSHS Staff, Staff Directory. Each teacher has a link to their own Homepage, which has all information you would need to contact them.

Q: Why do all the calendar events have different colors?

A: We changed all events on the calendar to be categorized based on various issues. Orange is senior events, green is general events, royal blue is athletics, and purple is for clubs and organizations. On the calendar, there is a button to View Key, where you can also find this information.
