**Q&A Response No: 1**

Q1. Can you please explain the difference between “Maximum Flat Fee Mileage” and what “Over Maximum Flat Fee Mileage” means?

A1. Due to the unique geography of the Florida Keys, the Monroe County School District has issued this ITB in a format that allows for a variety of pricing structures. “Maximum Flat Fee Mileage” is intended to refer to the maximum amount of miles, if any, that are covered by the flat fee to be charged for ‘In-County 5 Hour Minimum.’ “Over Maximum Flat Fee Mileage” is intended to refer to any per mile charges that may accrue when travel exceeds the maximum mileage covered by the ‘In County 5 Hour Minimum’ flat fee, if such maximum mileage is applicable. “Hourly Rate (Over 5 Hr. Min)” is intended to refer to any hourly charges that may accrue if travel time for an individual trip exceeds 5 hours.
