Addendum No.1

The following item has been amended from the original release format:

- On Page 5, Section I(A) is amended as follows: “This RFP is issued to select an Administrator that will provide all services necessary to communicate, enroll and administer the plans. The current benefits administrator, Fringe Benefits Management Company (FBMC), will conduct open enrollment for PY24. The awarded contract will become effective January 1, 2024. Upon contract award, the District will transfer enrollment information to the Administrator, who will begin implementation immediately for the 2024 plan year. Prospective vendors who anticipate difficulty in providing plan administration services effective January 1, 2024 must detail same in their response to this solicitation. To ensure a smooth transition, the District will consider extending the contract of the current benefits administrator by a period not to exceed one (1) year.”
