**Q&A Response No: 3**

Q1 . On Q7 from Q&A1, it was stated that the Contractor entering into a binding contract with Monroe County School District is the one who should provide the items on the Financial Responsibilities. However, Item 8A asks “For how many years has your firm has been providing Architectural/Engineering services?”. This question does not apply to Contractors, as they do not provide A&E Services. Could you please advise?

**A1. The assumption is that Architects/Engineers would be teaming up with a Contractor on this project so they are submitting as a team and therefore each member of the team needs to answer the information pertaining to them. However, the Contractor would be the lead in the team, therefore their financial information is being requested.**

Q2. Another question. Where should all the forms (Reference form, acknowledgment of addendum, Contractor rules, debarment certification, identical tie proposals, non-collusion affidavit, public entity crime statement, business/personal relationship disclosure affidavit, drug free workplace form, vendor information sheet, and e-verify affidavit) be included in the proposal package? In which section? **A2 IV - B1** Will these forms count towards the page limit? **A2 Yes, as stated in the bid document.**
