**Q&A Response No: 1**

Q1. On the previous Founders Park RFQ, I submitted the reference form to past clients and they were completed and sent in. Since the information hasn't changed, may I reuse those same reference forms?

**A1. Yes**

Q2. Regarding Tab 5 Project Understanding and Approach – Just want to clarify that you are stating that the conceptual sketches, drawings and renderings are to be submitted separately outside from the main proposal.

**A2. Due to the 11 x 17 format requirement, these documents shall be provided separate from the main packet.**

Q3. Could you please provide any more detail regarding the construction schedule for this project? I understand that ground breaking is to occur following the completion of the 2024 Baseball Season (May-June 2024). Is it the District's intent to have construction completed by the start of the 2025 Baseball Season (February 2025)?

**A3. MCSD strongly prefers that this project be completed prior to the start of the 2025 baseball season. Contractors should provide what they believe to be a feasible timeline for construction, with awareness of MCSD's preference with respect to completion date.**
