Tips for Success

2023-2024

Take your **TIME** and do your **BEST** on **EACH** item before moving onto the next question or set of questions.

You **MUST** answer **EVERY** question with your **BEST** educated guess before moving on, but you can flag a question you would like to go back to and review at the end of the test.

The harder it gets, the **BETTER** you are doing!
The more success in challenging content will earn a **HIGHER** scale score.

Try your **BEST** and take your **TIME** on each question. If you do not know the answer to a question, make your **BEST** educated guess based on the information you have.
