

MONROE COUNTY SCHOOLS POSITION DESCRIPTION

Title: Director Instructional Technology

GENERAL DESCRIPTION

The essential function of the position within the organization is to plan, direct and supervise the implementation, integration, administration and maintenance of instructional technology throughout the District. The position is responsible for supervising technical staff, developing the District's annual Instructional Technology Plan and associated budget, coordinating technologies with the Administrative Technology Department staff, coordinating and maintaining wide-area and local-area networks, preparing records and reports as required, and performing related professional, administrative and technical work as assigned. The position develops and implements programs within organizational policies; reports major activities to executive level administrators through conferences and reports.

Primary Duties:

This list represents the essential tasks performed by the position. These essential job functions are not to be construed as a complete statement of all duties performed. Employees will be required to perform other duties as assigned.

Provides professional leadership and technical expertise in planning, developing and implementing modern technology to support District instructional technology functions.

Supervises technical staff, including establishing staffing standards, organizing, selecting or recommending selection, training, assigning and evaluating work, counseling, disciplining, and terminating or recommending termination as appropriate; prepares periodic employee performance evaluations.

Provides guidance and assistance to District schools in developing individual school technology plans; prepares and submits to the School Board and State Department of Education for their approval the District's annual Instructional Technology Plan.

Provides assistance and leadership in planning the integration of curriculum-based technology in District instructional programs for K-12 teachers, computer lab staff, media specialists and students; meets with individual teachers and small faculty groups to discuss curriculum, suggest ways to use technology in the delivery of curriculum, and to support teachers as they actively use technology in their classrooms.

Ensures the provision of effective and adequate technology training and user support for District teachers, staff and students in areas of responsibility.

Develops and manages assigned operating and capital budgets; approves and monitors expenditures and prepares related financial reports; seeks, secures and administers grant funds to support specific technology projects and programs.

Coordinates the purchase, installation, support, networking, maintenance and repair of technological equipment and systems for instructional areas.

Maintain wide-area network and local-area networks, including all routing and switching technology and security measures; designs and implements new school and existing school computing infrastructures; coordinates with facilities and construction personnel on developing and designing wired and wireless infrastructure.

Coordinates department activities and functions with those of other District divisions, departments and outside agencies as appropriate; communicates with District teachers, administrators and staff to

MONROE COUNTY SCHOOLS POSITION DESCRIPTION

Title: Director Instructional Technology

determine instructional technology requirements.

Works with the Administrative Technology Director on any new networked systems to be interfaced with existing instructional systems.

Oversees the work of outside contractors as necessary to ensure compliance with District policies, procedures, contracts and specifications, and standards of quality and safety.

Receives and responds to inquiries, concerns and complaints regarding technology issues, policies and procedures and services in areas of responsibility.

Represents the department and District at various meetings as appropriate.

Keeps abreast of technological advances and their potential application to District operations.

Compiles data for and prepares a variety of records and reports as required by the District, schools and/or other agencies for general reporting and/or decision-making purposes.

Performs general administrative tasks as required, including but not limited to attending meetings, preparing correspondence, entering and retrieving data, preparing presentations for groups.

Attends training, seminars and conferences as necessary to maintain and enhance job knowledge and skills.

Other Duties:

Please note this job description is not designed to cover or contain a comprehensive listing of activities, duties or responsibilities that are required of the employee for this job. Duties, responsibilities and activities may change at any time with or without notice. Employees are expected to fulfill other duties as assigned.

GENERAL RESPONSIBILITIES AND REQUIREMENTS

Data Responsibility:

"Data Responsibility" refers to information, knowledge, and conceptions obtained by observation, investigation, interpretation, visualization, and mental creation. Data are intangible and include numbers, words, symbols, ideas, concepts, and oral verbalizations.

Synthesizes or integrates analysis of data or information to discover facts or develop knowledge or interpretations; modifies policies, procedures, or methodologies based on findings.

People Responsibility:

"People Responsibility" refers to individuals who have contact with or are influenced by the position.

Instructs or trains others through explanation, demonstration, and supervised practice, or by making recommendations on the basis of technical disciplines.

Assets Responsibility:

"Assets Responsibility" refers to the responsibility for achieving economies or preventing loss within the organization.

MONROE COUNTY SCHOOLS POSITION DESCRIPTION

Title: Director Instructional Technology

Requires responsibility for achieving major economies or preventing major losses through the management of a highly complex and/or technical department.
