An electronic communication device (ECD) is any technology capable of sending or receiving messages using a network, such as a mobile phone, iPod, laptop, scanner, or video game system. All ECDs, whether owned by Monroe County School District, the student, or anyone else, are subject to the rules and regulations of Monroe County School District if they are on school property or using the MCSD network. (Refer to MCSB Acceptable Use Policy)

The use of cell phones and other personal electronic devices are permissible before and after school only. Use of these devices in the classroom and at other times during the school day is prohibited, unless for an educational purpose or use is approved by administration. The confiscated device shall be held until the following day, or until such time that the parent or guardian can pick it up at their convenience. If a student refuses to give up the cell phone or other electronic device to a staff member when a violation occurs, this constitutes insubordination. If pictures are taken and used to intimidate, embarrass, or harass any person (staff, student, or otherwise) in the school, or used to produce a means to cheat in the classroom, consequences may range from confiscation of the phone to suspension and possible law enforcement contact if privacy issues are violated. The use of cell phones and/or electronic devices to take and/or produce visual documentation of a violation of the MCSD Code of Conduct may result in suspension or expulsion of the student(s) involved and police intervention. If cell phone usage becomes such that they are not being used in the manner prescribed or used unlawfully as stated in the previous two statements, they will be banned from the building altogether for the student who has violated the use.
