School Board Approval

This plan is pending approval by the Monroe County School Board.

SIP Authority

Section 1001.42(18), Florida Statutes, requires district school boards to annually approve and require implementation of a school improvement plan (SIP) for each school in the district that has a school grade of D or F.

The Florida Department of Education (FDOE) SIP template meets all statutory and rule requirements for traditional public schools and incorporates all components required for schools receiving Title I funds. This template is required by State Board of Education Rule 6A-1.099811, Florida Administrative Code, for all non-charter schools with a current grade of D or F (see page 4). For schools receiving a grade of A, B, or C, the district may opt to require a SIP using a template of its choosing. This document was prepared by school and district leadership using the FDOE's school improvement planning web application located at <https://www.floridaCIMS.org>.

Purpose and Outline of the SIP

The SIP is intended to be the primary artifact used by every school with stakeholders to review data, set goals, create an action plan and monitor progress. The Florida Department of Education encourages schools to use the SIP as a "living document" by continually updating, refining and

using the plan to guide their work throughout the year. This printed version represents the SIP as of the "Date Modified" listed in the footer.

Part I: School Information

School Mission and Vision

Provide the school's mission statement

We are committed to working collaboratively to provide a safe, positive, learning environment in which all children will be engaged, lifelong learners.

Provide the school's vision statement

Creating the BUCs of tomorrow!
Becoming Life-Long Learners--Foster a love of learning
Ultimate Achievement--High academic achievement
Character--7 C's-Live by the Buccaneer Code of Honor
Success--Goal setting-Reach for your goals and dreams

School Leadership Team

Membership

Identify the name, email address and position title for each member of the school leadership team.:

Name	Title
Mc Pherson, Christina	Principal
Santiago, Denise	Assistant Principal
Vinson, Steven	Assistant Principal
Ring, Dana	Instructional Coach
Smith, Nicole	Instructional Coach
Meier, Scott	Assistant Principal
Goins, Daliana	Guidance Counselor

Duties

Describe the roles and responsibilities of the members, including how they serve as instructional leaders and practice shared decision making

Christina McPherson - Principal Primary Responsibilities include, but are not limited to: Provides leadership and management of assigned elementary school, including all instructional and administrative programs and activities. Supervises all professional and classified staff members, including selecting or recommending selection, training, assigning and evaluating work, counseling, disciplining and terminating or recommending termination; prepares periodic employee performance evaluations. Assigns responsibilities to Assistant Principals to foster professional growth and effective instructional programming; assigns responsibilities to professional staff, including assignments to instructional groups, rooms and supervision duties. Plans, organizes and implements staff development programs. Seeks to maintain an atmosphere conducive to good teacher-teacher and teacher-administrator relationships. Prepares and administers

the school's operating budget; serves as overall custodian of school funds allocated to or collected by the school; adheres to state statute and District policies related to financial accounting to ensure judicious management of all school funds; approves expenditures and prepares related reports. Seeks, secures and administers school-level grants for projects and programs. Plans, evaluates and recommends school-wide programs, policies, goals and objectives. Ensures that all School Board and administrative policies are effectively explained and implemented. Ensures school compliance with the requirements of state and regional accreditation standards and regulations. Provides leadership in the school improvement process. Coordinates school enrollment. Supervises, reviews and evaluates the instructional program; observes classroom environment and makes recommendations for improvement in instruction and class management as appropriate. Participates as requested in the development and adoption of the District's testing program; manages and administers the testing program for the school; analyzes and makes recommendations related to student achievement data. Assists in the selection of and supervises the distribution, storage and inventory of all textbooks, instructional materials and supplies for building operation. Develops and coordinates a school master schedule that meets students' needs and adheres to District guidelines. Supervises the guidance program to enhance individual student education and development.

Scott Meier, Denise Santiago, Steve Vinson - Assistant Principal Primary Responsibilities include, but are not limited to: Performs a variety of leadership duties to assist the Principal in managing the school; assumes the duties of the Principal in the absence of the Principal and as assigned. Analyzes, interprets and facilitates the sharing of assessment findings and student achievement data for the purpose of designing and modifying instruction. Supervises, observes and evaluates the performance of designated certificated and/or classified personnel; assigns duties to faculty and staff as appropriate to meet school objectives; assists with the recruiting, interviewing, and selection of new faculty and staff. Assists the Principal in providing instructional leadership to the school including assisting in the development, implementation, and evaluation of intervention programs that address the needs of at-risk students. Provides direction to a variety of faculty, staff, and student programs and services; participates in formal and informal classroom visitations and observations; provides recommendations and suggestions for improvement as appropriate. Develops and administers disciplinary procedures in accordance with district policies and state laws; receives referrals and confers with students, parents, teachers, community agencies, and law enforcement; responds to and resolves parent, student, and staff concerns and complaints; serves on discipline or expulsion panels as assigned.

Lucy Andrews, Deanna Dall, Daliana Goins, Bill Robinson - Guidance Counselor Primary Responsibilities include, but are not limited to: School counselor's primary goal is to encourage, support, and foster positive academic, career, social, and personal development for students in schools. Horace O'Bryant School's counselor serves students and their school in numerous ways, but the list below gives the major roles and responsibilities that are included in a comprehensive school counseling program. Student development curriculum consists of structured lessons designed to help students achieve the desired competencies and to provide all students with the knowledge and skills appropriate for their developmental level. The student development curriculum is delivered throughout the school's overall curriculum and is systematically presented by school counselors in collaboration with other educators in Pre K12 classroom and group activities. School Counselor activities include the following:

- ◇ Individual counseling and advisement to help students
- ◇ Consultation—working with administrators, teachers, and staff to meet student needs

- ◇ Student appraisal—coordinating information that goes into confidential student files and interpreting the information to help qualify students for special programs, services, and/or remediation
- ◇ Parent help—meeting individually and in groups with parents and providing resources and information on child development and other specific topics
- ◇ Referral—providing referrals to appropriate professionals in the schools and in the outside community
- ◇ Problem-Solving/Response to Intervention (RtI)—participating on a school-based problem solving team
- ◇ Program planning, management, and coordinating work of various school personnel, parents, and other interested parties in the implementation of the school counseling program
- ◇ Change agent for the school atmosphere
- ◇ Student advocate in meetings with teachers and staff
- ◇ Classroom observations on behaviors and relationships so that feedback can be provided to teacher, students, and parents
- ◇ Public relations—informing school staff, parents, teachers, students, and community members about the important role of the school counselor and the significance of the school counseling program.
- ◇ Local research—identifying student population characteristics, such as drug use on campus
- ◇ Student Screening—interviewing new students, etc.
- ◇ Staff development—focusing around particular issues
- ◇ Using data to show the impact of the school counseling program on school improvement and student achievement

Dana Ring, Michelle Sabbag, Nicole Smith - Instructional Coaches Primary
Responsibilities include, but are not limited to: Assist teachers in data driven, student centered planning processes that intensify instructional focus on students' mastery of essential standards. Observe and conference with teachers posing questions with reflection regarding examples and non-examples of best practice. Model or co teach lessons. Develop standard based curriculum, resources, assessments and intervention programs for and with teachers. Collect and analyze school and district data. Facilitate professional development in content, lesson planning, instructional strategies, assessments and the implementation of the Florida State Standards. Facilitate curricular team leadership meetings and study groups. Assist in the development of a district-wide instructional focus calendar. Facilitate Reading Endorsement program for the school district.

Early Warning Systems

Year 2017-18

Part II: Needs Assessment/Analysis

Assessment & Analysis

Consider the following reflection prompts as you examine any/all relevant school data sources, including those in CIMS in the pages that follow.

Which data component performed the lowest? Is this a trend?

The data component in which HOB performed the lowest was in the lowest 25% students making learning gains in math (42%) according to the 2017-2018 FSA results. This was a five percent decrease from the previous school year.

Which data component showed the greatest decline from prior year?

The data component that showed the greatest decline was the Civics EOC. HOB had 68% proficient during the 2017-2018 school year and 74% proficient the previous year.

Which data component had the biggest gap when compared to the state average?

According to the data HOB had areas in which our students under performed the State average. These areas include the lowest 25% students making learning gains in math. 42% of the lowest 25% students made learning gains in math as compared to the state's performance of 52%. In addition, there was a gap in HOB's Civics End of Course results of 68% as compared to the state's performance of 77%.

Which data component showed the most improvement? Is this a trend?

The data component with the most improvement was the Florida Statewide Science Assessment with a gain of 11 points from the previous year. This includes the Science

assessment in 5th and 8th grade. HOB also increased proficiency in ELA for Learning Gains for the Lowest 25 Percent (56%).

Describe the actions or changes that led to the improvement in this area

HOB departmentalized in 5th grade, included an elementary and middle school STEM class, and progressed monitored all students (K-8) three times a year. We also incorporated the use of Study Island into our 5th and 8th grade curriculum. In addition, our 8th grade teachers collaboratively planned together to improve science achievement.

School Data

Please note that the district and state averages shown here represent the averages for similar school types (elementary, middle, high school, or combination schools).

Part III: Planning for Improvement

Develop specific plans for addressing the school's highest-priority needs by identifying the most important areas of focus based on any/all relevant school data sources, including the data from Section II (Needs Assessment/Analysis).

Areas of Focus:

Activity #1

Title	Students in the Lowest 25% in Reading
Rationale	56% of the students in the lowest 25% (Grades 4-8) in reading made learning gains. This is a 10 point increase from the previous year.
Intended Outcome	60% of the students in the lowest 25% (Grades 4-8) in reading will make learning gains on the FSA reading assessment.
Point Person	Dana Ring (dana.ring@keysschools.com)

Action Step

Description	<ul style="list-style-type: none"> *School Reading Coach to provide instructional coaching and professional development for teachers. *Title One and SAI funds provided Morning PLUS, after school tutoring, and Saturday Stars tutoring. *Paraprofessional provide supplementary instruction and support. *Teachers identify the students in the lowest 25% and progress monitor students to assist in quarterly data chats. *Conduct on-going grade level data meetings *Monthly professional development to direct instruction *Teachers will plan for read alouds and collaborative conversations throughout their lessons. *Teachers utilize progress monitoring and leadership reviews teacher lesson plans to improve student achievement in core content areas. *Middle school students have a scheduled 114 minute ELA block. <p>Resources: iStation, Achieve 3000, Read 180</p>
Person Responsible	Denise Santiago (denise.santiago@keysschools.com)

Plan to Monitor Effectiveness

Description	<ul style="list-style-type: none"> *The HOB Leadership team participates in Classroom Walk throughs, Observations and coaching opportunities. *HOB BLPT, faculty, department and grade level meetings include "Promising Practices" to share best practices *The HOB Leadership team analyzes progress monitoring data and facilitates instructional changes to impact instruction.
Person Responsible	Christina Mc Pherson (christina.mcpherson@keysschools.com)

Activity #2	
Title	Students in the Lowest 25% in Mathematics
Rationale	42% of the students in the lowest 25% (Grades 4-8) in mathematics made learning gains. This is a five point decrease from the previous year.
Intended Outcome	58% of the students in the lowest 25% (Grades 4-8) in mathematics will make learning gains on the FSA mathematics assessment.
Point Person	Nicole Smith (nicole.smith@keysschools.com)
Action Step	
Description	<ul style="list-style-type: none"> *School Math Coach to provide instructional coaching and professional development for teachers *Title One and SAI funds provided Morning PLUS, after school tutoring, and Saturday Stars tutoring. *Paraprofessional provide supplementary instruction and support. *Teachers will consistently monitor student achievement data to direct instruction and provide interventions and supports. *Conduct on-going grade level data meetings *Monthly professional development to direct instruction *Teachers will monitor and analyze formative assessment results to direct instruction. *Teachers will utilize progress monitoring and leadership will review teacher lesson plans to improve student achievement in core content areas. *Teachers identify the students in the lowest 25% and progress monitor students to assist in quarterly data chats. *Middle school students have the opportunity for before school mathematics tutoring. <p>Resources: Reflex, Ten Marks, IXL,</p>
Person Responsible	Nicole Smith (nicole.smith@keysschools.com)
Plan to Monitor Effectiveness	
Description	<ul style="list-style-type: none"> *The HOB Leadership team participates in Classroom Walk throughs, Observations and coaching opportunities. *HOB BLPT, faculty, department and grade level meetings include "Promising Practices" to share best practices *The HOB Leadership team analyzes progress monitoring data and facilitates instructional changes to impact instruction.
Person Responsible	Christina Mc Pherson (christina.mcpherson@keysschools.com)

Activity #3

Title	Chronic Absenteeism to 5% or less
Rationale	88 students were chronically absent during the 2017-2018 school year.
Intended Outcome	Students at Horace O'Bryant School will understand the importance of school attendance. HOB will reduce chronic absenteeism to 5% or less (61 students).
Point Person	Steven Vinson (steven.vinson@keysschools.com)

Action Step

Description	<ul style="list-style-type: none">*School communication regarding the attendance policy to all stakeholders*Teachers will monitor student attendance in FOCUS and contact parents as needed.*Refer students with chronic absences to the Attendance/EWS Team*Implement interventions, conduct conferences and monitor.*Attendance clerk, school counselor, and administration will monitor attendance in FOCUS.
--------------------	---

Person Responsible	Steven Vinson (steven.vinson@keysschools.com)
---------------------------	---

Plan to Monitor Effectiveness

Description	<ul style="list-style-type: none">*Attendance clerk, school counselor, and administration will monitor attendance in FOCUS.*FOCUS attendance reports, Call logs, Conference notes, EWS meetings*Administration will monitor attendance reports in FOCUS.
--------------------	--

Person Responsible	Christina Mc Pherson (christina.mcpherson@keysschools.com)
---------------------------	--

Part IV: Title I Requirements

Additional Title I Requirements

This section must be completed if the school is implementing a Title I, Part A schoolwide program and opts to use the Pilot SIP to satisfy the requirements of the schoolwide program plan, as outlined in the Every Student Succeeds Act, Public Law No. 114-95, § 1114(b). This section is not required for non-Title I schools.

Describe how the school plans to build positive relationships with parents, families, and other community stakeholders to fulfill the school's mission and support the needs of students

Horace O'Bryant embraces opportunities to interact with the community and students participate in activities that are educational, enjoyable, and community service oriented. Students work with agencies such as The Rotary Club of Key West, Green Living and Energy Education, Botanical Gardens, Reef Relief, Bahama Village Music Program, Keys to Change, TSIC, United Way, the American Cancer Society, and many others on projects essential to our local, national, and global interests. Projects include peer tutoring on campuses, a Thanksgiving food drive for local families, beach and reef clean ups, and fundraising for humanitarian missions to Haiti. Students are also provided opportunities to take advantage of cultural offerings through partnerships with Sculpture Key West, The Studios of Key West, The Hemingway Foundation, and The Robert Frost Poetry Festival. In addition, local

agencies such as AHEC and the Monroe County Health Department offer school-based health care that integrates health services at the school site.

School to home communication is essential and is provided to parents via Blackboard Connect, Facebook, the School Web page, and parent email groups.

Horace O'Bryant annual events and partnerships include:

- Family Night/Open House
- Title 1 Family Nights
- ELL Family Nights
- Family Reading Nights
- Family Movie Nights
- School Plays
- Steel Pan Band Shows
- Book Fairs
- Dads Take Your Child to School Day
- School Advisory Council/PTO
- Food Drives

PFEP Link

The school completes a Parental Involvement Plan (PFEP), which is available at the school site.

Describe how the school ensures the social-emotional needs of all students are being met, which may include providing counseling, mentoring and other pupil services

The School Counseling Program at Horace O'Bryant School is designed to be comprehensive, developmental and preventive in nature. Our professional school counselors assist parents, staff members, teachers and students in maximizing academic success. School counselors work collaboratively with teachers, school social workers, and other outside agency representatives as necessary to also assist students in need of supplemental support above and beyond the general classroom setting. Tier 2 supplemental intervention services by school counselors include small group counseling sessions and Check-In/Check-Out. If applicable, students in need of more intensive and individualized support may be referred to an outside agency for further assistance. In such cases, Horace O'Bryant School works collaboratively with the child's family and the agency to further enhance school success.

Horace O'Bryant School is thrilled to also have our Take Stock in Children program, a mentorship program that supports eligible students as early as 7th grade while working with and providing support to them year after year until they graduate high school. Relationship building, academic and personal goal setting and leadership skills are a few of the admirable effects this program provides the students.

Describe the strategies the school employs to support incoming and outgoing cohorts of students in transition from one school level to another

Horace O'Bryant houses Pre-School programs including Head Start, VPK, and ESE Pre-K. We articulate expectations for kindergarten readiness and have Pre-K teachers work with kindergarten teachers to set expectations. Pre-K teachers meet with kindergarten teachers to articulate the needs of children and assist in placement into kindergarten classes. ESE Pre-K has a transition IEP meeting at the end of the year. At this point the academic plan is written as a collaborative effort. We invite parents, teachers and all other support teachers (OT, PT) that have a part in developing the new educational plan for success in kindergarten. Head Start/VPK-provide data that supports class placements and teacher selections. The Galileo program used by all Pre-K teachers gives data on readiness to start kindergarten. We offer a kindergarten round-up activity that is a parent orientation and welcome to our school. We assist parents in the completion of the registration packet and take them on a tour of our school.

Describe the process through which school leadership identifies and aligns all available resources (e.g., personnel, instructional, curricular) in order to meet the needs of all students and maximize desired student outcomes. Include the methodology for coordinating and supplementing federal, state and local funds, services and programs. Provide the person(s) responsible, frequency of meetings, how an inventory of resources is maintained and any problem-solving activities used to determine how to apply resources for the highest impact

Title 1

Horace O'Bryant School will provide resources to ensure students requiring additional remediation are assisted through extended learning opportunities (before-school and/or after-school programs, or summer school). The district coordinates with Title II and Title III in ensuring that supplemental staff development needs are provided. Supplemental support services are provided to students. The district EL Specialist for Title I schools works with EL contacts to provide supplemental professional development and instructional resources as well as helps identify student needs through assessment and other instructional data. The Literacy Coach develops, leads, and evaluates school core content standards/programs; identifies and analyzes existing literature on scientifically based curriculum/behavior assessment and intervention approaches. They identify systematic patterns of student need while working with district personnel to identify appropriate, evidence-based intervention strategies; assists with whole school screening programs that provide early intervening services for children to be considered "at risk;" assists in the design and implementation of progress monitoring, data collection, and data analysis; participates in the design and delivery of professional development; and provides support for assessment and implementation monitoring. We utilize supplemental reading programs such as Lexia and Imagine Learning before and after school as they provide growth data for students in the lowest quartile and EL students. Other components that are integrated into the school-wide program include an extensive Parental Program including an EL Parent Educator and a parent resource center; as well as special support services to special needs populations such as ELS and students with Emotional/Behavior Disorders. The school works the district parent engagement coordinator to reduce the impact of barriers to family engagement. CHIPS Homeless contacts are funded through Title I to assure that students in transitional homes remain on the pathway for college and career readiness and work with the district homeless liaison to assure students receive Title I services including instructional supplies, nutritional services, transportation and tutoring.

Title II

The District uses supplemental funds for improving basic education for the students at HOB School as follows:

- * partial Funding of the Reading Coach
- * professional development for teachers and staff of diverse learners
- * ESOL Endorsement coursework offered through the district leading to ESOL endorsement
- * reimbursement for add-on endorsement programs, such as Gifted, and Reading bonuses, as funding permits

Our Literacy Coaches develop, lead, and evaluate school core content standards/programs; identify and analyze existing literature on scientifically based curriculum/behavior assessment and intervention approaches. They identify systematic patterns of student need while working with district personnel to identify appropriate, evidence-based intervention strategies; assist with whole school screening programs that provide early intervening services for children to be considered "at risk;" assist in the design and implementation for progress monitoring, data collection, and data analysis; participate in the design and delivery of professional development; and provide support for assessment and implementation monitoring.

Title III

Horace O'Bryant will utilize Title III funding to provide tutorial services for English Learners students levels one through four. Tutorials are conducted in the morning hours and include Math, Reading and Science Lab. We also will provide professional development funded in part by Title III on EL strategies for teachers of all contents and cultural proficiency. Supplemental licenses for Imagine Learning will be used to track student academic growth for the lowest 25% and EL students.

Title X- Homeless

The board policy defines the McKinney-Vento Law and ensures homeless students receive all the services they are entitled to. Horace O'Bryant School seeks to ensure a successful educational experience for homeless children by collaborating with Local Agencies and with parents and the community. The School Counselor serves as our Homeless Liaison and assists with the identification, enrollment, attendance, and transportation of homeless students. The Homeless Liaison works closely with our school registrar on the procedures for enrolling homeless students and on the McKinney Vento Homeless Assistance Act-ensuring homeless children and youth are not to be stigmatized or separated, segregated, or isolated on their status as homeless-and are provided with all entitlements. Horace O'Bryant School provides a homeless sensitivity, awareness campaign to all the staff members. Our CHIPS contact will work with teachers and the district Homeless contact to make sure that homeless students engage in tutoring as needed. Horace O'Bryant School also receives funding from Supplemental Academic Instruction (SAI) funds.

Bullying Prevention Programs

Red Ribbon Week and the Second Step Social Emotional Learning Curriculum support the prevention of violence in and around Horace O'Bryant School. These programs prevent the use of alcohol, tobacco, drugs and foster a safe, drug free learning environment supporting student achievement. In addition, we have implemented the Second Step bullying prevention curriculum. This curriculum provides students with an understanding and awareness of the severity and consequences of bullying. Bully awareness is supported throughout the month of October with different activities and awareness message on our morning announcements. Our school counselors push into classes to provide supplemental character education including bullying prevention lessons.

Nutrition Programs

- 1) Horace O'Bryant School adheres to and implements the nutrition requirements stated in the District Wellness Policy.
- 2) Nutrition education, as per state statute, is taught through physical education.
- 3) Horace O'Bryant School Food Service Program, school breakfast, school lunch, and after school dinner, follows the Healthy Food and Beverage Guidelines as adopted in the District's

Wellness Policy.

Parental Involvement

Horace O'Bryant School involves parents in the planning and implementation of the Title I Program and extends an open invitation to our school's parent resource center in order to inform parents about available programs and their rights and other referral services. We aim to increase parent engagement/involvement through developing (with on-going parent input) Horace O'Bryant's Title I compact: Horace O'Bryant Title I Parent Engagement Plan; scheduling the Title I Annual Meeting; and other documents/activities necessary in order to comply with

dissemination and reporting requirements. Informal parent surveys are conducted to determine specific needs of our parents, and schedule workshops, Parent Academic Nights, etc. with flexible times to accommodate our parents. This impacts our goal to empower parents and build their capacity for involvement. AHEC (Area Health Education Center) and the Monroe County Health Department offer coordinated levels of school-based healthcare to the students at Horace O'Bryant School and their families which integrates education, medical and/or social and human services on school grounds. AHEC services reduce barriers to care, connect eligible students with health insurance and a medical home, and provide care for students who are not eligible for other services.

Describe the strategies the school uses to advance college and career awareness, which may include establishing partnerships with business, industry or community organizations

Horace O'Bryant partners with the Take Stock in Children program to provide college and career awareness as well as a scholarship program for college. Students are provided an adult mentor to follow them through middle and high school. Our school counselors provide college and career activities in classroom lessons to further engage the students in preparing for their future.
