Big congratulations to the HOB Band for receiving an Excellent rating in the Florida Bandmasters Association assessment.

They did amazing with sight reading and represented HOB with not only talent but manners and respect. Every judge commented on how well behaved and disciplined they were!

Kudos to our band director extraordinaire Crystal Hendricks!!

Coach Butler and Coach Polcha Physical Education classes participated in a decathlon. Coach Polcha's decathlon program gave students points based on how they placed in each event. The events included: 50 yard dash, 100 yard dash, shuttle run, long jump, broad jump, shot put, discus, softball throw, ½ mile run, and 1 mile run. Both Polcha and Butler's students competed against each other for the top spot in their own class, only to be measured up against all classes. Once the final scores were in, the top 3 boys and girls from each class had their scores entered into another spreadsheet, ranking each student and narrowing down the final winning spots. Hard work beats talent when talent doesn't work hard was the decathlon mantra, proving skillset doesn't necessarily mean top of the class.
