Volleyball

"Sometimes you win" for most teams, has turned to "All of the time you win" when it comes to Buccaneer volleyball, 4-0 in 2021. Tuesday night at home against the Basilica Mariners did not fit either of those choices. The Mariners were too strong for the home team and, "Sometimes they are better than us" seemed to be a better fit. The HOB B-team started slowly and lost the first game 25-8. They showed better in game two, only to drop that game and the match, 25-17.

A-team played well, but the Mariners are not a mistake-prone team and kept each point alive. It was up to the Bucs to close out points and they could not finish, losing in two games, 25-7 and 25-11.

Now, there are four matches before tournament time and a rematch, so the Bucs mantra turns to, "We need to work hard and get better".

At the Horace O'Bryant School, there is only one way to handle a defeat. That way is to bounce back with a win, or in the case of 2021 Buccaneer volleyball, multiple wins. That's exactly what both A and B teams did this week after suffering their first defeats of the season.

A-team came out last Thursday and took care of business against Plantation Key School(25-14, 25-12)and then turned around to take out Key Largo(26-24, 15-25, 15-7) on Saturday.

B-team ran off consecutive wins without dropping a game against PKS (25-18, 25-21) or against KLS (25-14, 25-14). Both teams take on Sugarloaf at home on Tuesday as they continue to work towards the post-season.

Congratulations!
