SUPERINTENDENT'S BUDGET MESSAGE

JULY 28, 2015

To the Members of the Monroe County School Board and Citizens of Monroe County, Florida

The budget is the financial plan for the School District and is one of the most important tasks undertaken by the District. The strategies expressed in this budget align with the Strategic Plan "Charting the Course to Excellence." This coordinated planning process will enable the District to focus on the Board's goals and will enhance the educational process for all students. The fiscal year 2015/16 General Fund budget totals \$95,172,571 and was prepared as prescribed by Florida Statutes. This budget is \$4.1 million or 4.47 percent more than the 2014/15 advertised budget.

Florida Statutes require that the Superintendent of Schools annually prepare and present a balanced budget to the School Board. The budget must contain several parts as prescribed by statute, and each part shall balance to estimated revenues and appropriations. The parts contained in the fiscal year 2015/16 Budget for the Monroe County School District include the General Fund, Special Revenue-Other Fund, Special Revenue-Food Service Fund, Debt Service Fund, Capital Projects Fund, Internal Service Fund, and the Trust & Agency Fund. These funds and their usages are as follows:

General Fund covers the day-to-day operating expenses of the District, such as employee salaries, employee benefits, utilities, travel, materials and supplies.

Special Revenue-Other Fund is used to account for grants funded by the Federal government.

Special Revenue-Food Service Fund covers all food service activities, including employee salaries, employee benefits and food cost.

Debt Service Fund covers the principal, interest and fees for the outstanding debt of the District.

Capital Projects Fund provides funding for the acquisition of land, the construction of new buildings, the renovation of older buildings, the purchase of buses, and the purchase of equipment.

Internal Service Fund is used to pay for services provided to other funds, such as the District's self-insurance programs.

Trust & Agency Fund is used to account for funds held in trust, such as scholarships for post-secondary students.

The Board's responsibility is to receive, review, modify and/or amend, if necessary, and approve the budget. Section 200.065, Florida Statutes, governs the process used in approving the budget. A public hearing will be held, July 28, 2015, at Marathon Middle High School to allow the Board to hear comments from the public, set the maximum millage and approve the tentative budget. The Board will hold an additional public meeting on the tentative budget on August 25, 2015, at the District's administrative building in Key West to provide the public with an additional opportunity for input on the budget. Subsequently, the Board will hold its final public hearing on September 15, 2015 at Coral Shores High School and approve the budget for fiscal year 2015/16.

FLORIDA EDUCATION FINANCE PROGRAM (FEFP)

The major funding source for operations is the Florida Education Finance Program (FEFP). This funding established by the Legislature annually, prescribes state revenues for education as well as the level of ad valorem taxes, which may be levied by the Board. It also includes restricted funding called categorical programs, which are funds specified by the Legislature for selected programs to be operated within the District. An example of categorical program funding is the annual allocation for instructional materials (textbooks). FEEP Funding for public schools in Monroe County will increase by \$3.4 million in fiscal year 2015/16. This increase in FEEP funding is largely due to a favorable increase in State funding from a 3.04% higher Base Student Allocation (BSA) from the Legislature and an increase of 12 Full Time Equivalent (FTE) students.

MILLAGE LEVY

As part of the funding for the Florida Education Finance Program (FEFP), the Legislature annually prescribes the required local effort millage for participation in the FEEP and the maximum millage for discretionary funding. These millages are used for operational purposes within the General Fund. For fiscal year 2015/16, the Legislature set the required local effort millage at 1.802 mills, which must be levied by the School Board in order to receive state funds. The millage for discretionary funding remains at 0.748 mills. In addition, the Board levies an additional voted 0.500 mill for operational purposes as a result of an election held in January of 2012. The total millage for operational purposes is 3.050 mills.

The Board is allowed to levy 1.500 mills to finance capital project expenditures. The Board proposes to levy .500 mills for the 2015/16 fiscal year. The recommended capital millage will raise \$11.34 million from local property taxes, which is an increase of \$0.8 million from 2014/15.

The total millage levy in support of the fiscal year 2014/2015 budget is 3.550 mills. A taxpayer with a home valued at \$426,000 with a Homestead Exemption of \$25,000 and the maximum allowed increase in assessment (0.8 percent) will pay \$19.09 or 1.3 percent less in school taxes in support of this budget than they did in fiscal year 2014/15.

CHANGES IN STUDENT ENROLLMENT

The District has developed this budget based on growth of 12 students. School-by-school enrollment projections were completed in January and school staffing for 2015/16 has been based on these projections. Actual funding for the 2015/16 fiscal year will be determined by the October and February FTE counts.

CLASS SIZE CONSTITUTIONAL AMENDMENT

In November 2002, Florida voters approved an amendment to limit class size in core subject area classrooms. Class Size reduction achieved full implementation in the 2010/2011 fiscal year. The amendment establishes a maximum number of students in a classroom. The maximums are 18 students in grades Pre-K through three, 22 students in grades four through eight, and 25 students in grades nine through twelve. Beginning with the fiscal year 2003/04 we were required to reduce the average number of students in classrooms by two students each year until we met the classroom maximums. In 2012/13 fiscal year, class size was measured at the individual classroom level unless the class met one of the exceptions identified by the Legislature. Legislative changes eased the requirements, primarily at the secondary level, by defining which courses were considered core subject areas. These changes also allow for exceptions when class size exceeds the maximums after the October FTE count, not to exceed hard caps of 21 students in grades Pre-K through three, 27 students in grades four through eight and 30 students in grades nine through twelve.

The Legislature approved a budget that will provide Monroe County Schools with \$9.08 million to maintain reduced class sizes under the constitutional amendment. This is a slight reduction from fiscal year 2014/15.

FUND BALANCE

The fund balance in the General Fund at June 30, 2015, slightly exceeded our estimates. Our unassigned fund balance for the General Fund is estimated to be approximately \$10.5 million or 12.5 percent of revenues.

CAPITAL PROJECTS FUNDING

The current capital plan funds construction projects that are already underway and provides for maintenance, renovation, and repair of facilities.

Voters in Monroe County approved the extension of a half penny sales tax in November of 2014 for school construction. The District estimates that \$17.2 million in half penny sales taxes will be collected during the 2015/2016 fiscal year. The District's Capital planning ensures that the promise made to taxpayers in 2004 and 2014 is fulfilled. Planning for the re-construction of Plantation Key School is already underway and construction should begin in the 2015-16 fiscal year with scheduled completion in the summer of 2018. The capital outlay budget also includes planning funds for Gerald Adams Elementary.

SUMMARY

The School Board of Monroe County continues to make decisions that support our students and classroom teachers with the resources they need to be successful.

Respectfully submitted,

Total Millage	3.5500	3.6260	(0.0760)	-2.10%

The proposed millage rate for 2015-16 is 2.10% less than the millage rate levied last year. The entire decrease is attributable to Required Local Effort (RLE) which is mandated by statute. The School Board must levy the RLE to receive State funding.

The amount of school tax on a home valued at \$426,000 (\$401,000 after homestead exemption) will be \$1,423.96 this year. The \$401,000 amount represents the average taxable value of a homesteaded single-family residence for the 2014 tax year in Monroe County. The school tax on a home with no homestead exemption would be \$1,512.71.

For homesteaded properties, the maximum increase in valuation is limited to a 0.8 percent increase pursuant to the "Save Our Homes" amendment. A homesteaded homeowner should see a slight decrease in their upcoming property tax bill.

The overall assessed property values increased by 7.65% in Monroe County for the 2015 tax year.

Of course, each taxpayers' situation is different and may not yield the same results as averages were used in this comparison.
