**4. Old Business**

- Open House attendance seemed very light this year compared to past years. The event was advertised on social media, placed on the calendar. Looking for input on why it was so lightly attended.
- A lot of feedback was received regarding chrome books and the decision to not issue them to each student this year. Chromebooks are still being issued to classes with curriculum needs for use during class period - AP classes, social studies, CTE classes online – and chrome books may be checked out of the library. Want focus on engagement and teacher instruction in the classroom. Need working chrome books for testing.

**5. New Business**

- **Teacher/Staff Recognition**  
Many submittals were received; all submittals are posted on board in office. Names will go into monthly drawing for gifts cards.
- **Free/reduced lunch**  
Families need to apply annually; current enrollment will expire on 9/25 so people need to reapply. School absorbed \$11,000 in lunch costs last year.
- **Sac By-Laws – Available online on website**  
By laws need to be adopted each year. Leslie Johnson asked for motion; Hays Blinckmann motion, second Judy Clarke.
