Re: American Legion Post 28 Donates Flag to Sugarloaf School

March 1, 2012-Sugarloaf, Florida

Sugarloaf School Principal Harry Russell would like to thank Commander Tom Frost of American Legion Post 28 in Key West, Florida, for donating a new flag to Sugarloaf School. Principal Russell stated, “It is always an honor and pleasure to have the opportunity to work closely with our local Veterans. Receiving this flag from the American Legion really adds a special sense of pride as it flies daily over our school.” Commander Tom Frost said, “We are always willing to help support the schools and our community.” The new flag size was determined by the height of the pole and can be viewed flying outside of the front office area at Sugarloaf School. Principal Russell would like to thank Commander Tom Frost and School Board Chairman, John Dick for connecting the school with Post 28 and getting the new flag. Please remember to support and honor our Veterans for their service and commitment to the United States of America.
