

Hello Plantation Key Faculty –

Kids Heart Challenge has officially kicked off!

We need your help to accomplish our goal to have 100% of our student families know Hands-Only CPR. You can help us by spreading the word!

We will be having a fun challenge between the classrooms! You will be competing to see which classes can get the most students to register on the KHC website/app. The top 6 classes will win! If your class wins, you will receive a \$25 Amazon gift card and your class will get a special Glow in the Dark party!

Please copy/paste the template below and send it home to your student families today!

Thank you SO MUCH for helping our students & school community lead healthy lives through this program!

With Heart,

Amy Rembisz
