FOURTH GRADE AUTHORS

Congratulations to Mrs. Sullivan's 4th Grade Students at Gerald Adams Elementary – they are published authors! The students were tasked to write and publish their very own book entitled 'How to Survive Fourth Grade'. They had the unique challenge of writing an informative, yet entertaining book that targeted a future fourth grade audience. Students worked hard all year to complete their daily assignments so that they had time to complete this bonus project, and authors and illustrators collaborated to ensure illustrations adequately portrayed the author's message. On April 25, teachers joined our published authors and illustrators in a book release party where they celebrated all of their hard work! We are very proud of these students!

RENAISSANCE LEARNING

Dear Parent or Guardian,

On May 2, 2022, one of our education partners, Renaissance Learning, Inc., will be photographing and filming students and staff for a success story video that celebrates the academic excellence in Monroe County. We plan to film and take photos of Educators and students using Renaissance's reading, math, instructional, and assessment products. These images will be used on Renaissance's website, videos, software product and other assets. We will be posting signs at the entrance to the recording area, letting students and staff know of filming and photography. However, we also wanted to make sure that parents were aware and could definitively opt out of having their child participate.

Please, let us know if you choose to have your child opt out and we will ensure that they are not filmed or photographed.

Thank you.

RENAISSANCE LEARNING

Estimado Padre o Guardian,

El 2 de mayo de 2022, uno de nuestros socios educativos, Renaissance Learning, Inc., estará fotografiando y filmando a los estudiantes y al personal de la escuela para un video de un relato que celebra la excelencia académica en el condado de Monroe. Planeamos filmar y tomar fotografías de educadores y estudiantes utilizando los productos de lectura, matemáticas, instrucción y evaluación de Renaissance. Estas imágenes se utilizarán en el sitio web, videos, productos de software y otros materiales de Renaissance. Estaremos colocando letreros en la entrada del área de grabación, informando a los estudiantes y al personal sobre la filmación y la fotografía. Sin embargo, también queríamos asegurarnos de que los padres estuvieran informados y pudieran optar por no permitir que sus hijos(as) participen si así lo desean.

Por favor, infórmenos si elige que su hijo (a) se excluya y nos aseguraremos de que no sea filmado o fotografiado.

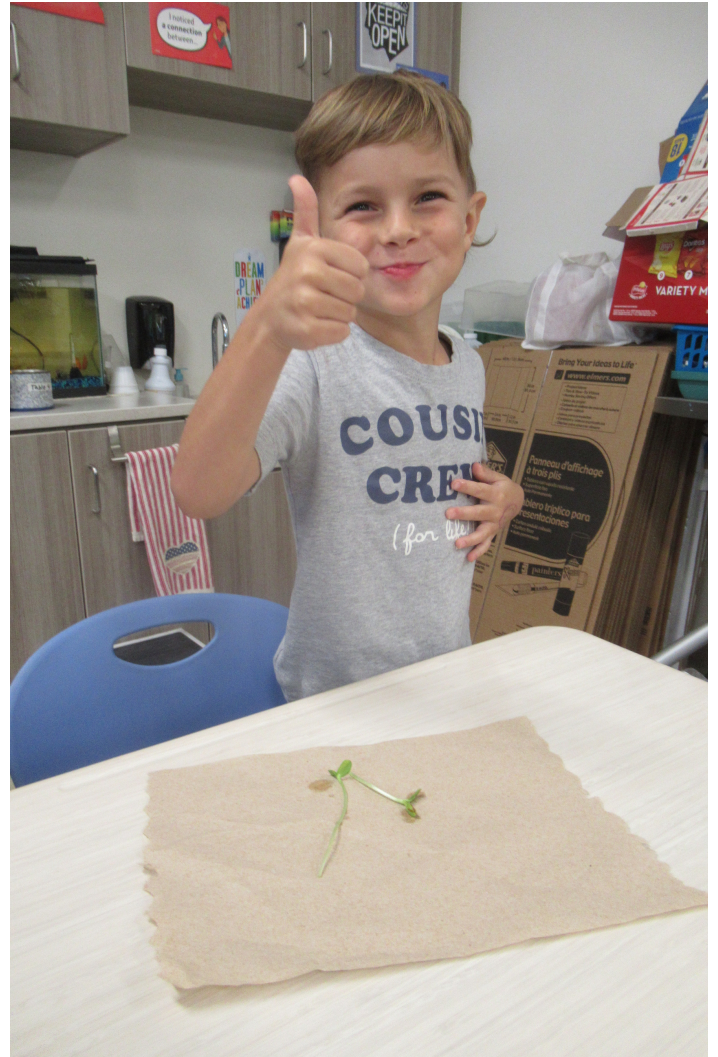

**Gracias,
Fran Herrin
