PKS Safe Student Pick-Up Options for Parents

Beginning November 28, 2022, parents cannot walk to the school to pick up their children.

For safety or security reasons, these are the only two options for student pick up:

1. Drive through the pick-up lane and pick up your child at their grade level station.
2. Wait on the bike path (across the street from PKS parking lot), to walk your child home.
 - a. Children will be walking with the walkers/bike rider group.
 - b. Parents will have to wait for the group to walk across the street.
 - c. We wait until the buses have exited the campus, so the students can walk safely on the side of the street.

PARENTS CANNOT GET OUT OF THEIR CARS.

Opciones seguras de recogida de estudiantes de PKS para padres

A partir del 28 de noviembre de 2022, los padres no pueden caminar a la escuela para recoger a sus hijos.

Por razones de seguridad, estas son las únicas dos opciones para la recogida de estudiantes:

1. Conduzca por el carril de recogida y recoja a su hijo en su estación de nivel de grado.
2. Espere en el carril bici (al otro lado de la calle del estacionamiento de PKS), para llevar a su hijo a casa.
 - a. Los niños caminarán con el grupo de caminantes / ciclistas.
 - b. Los padres tendrán que esperar a que el grupo cruce la calle.
 - c. Esperamos hasta que los autobuses hayan salido del campus, para que los estudiantes puedan caminar con seguridad al costado de la calle.

LOS PADRES NO PUEDEN SALIR DE SUS AUTOS.

A sniffle? A cough? A sore throat? Children come down with illnesses big and small. Some are contagious, some are not. How do you know when to keep your child home from school? For the safety of all of our students and staff, please keep students at home for any of the following reasons:

- **Fever >99.9* prior to medication-** if students are medicated for a fever, they should not be in school until they are fever free for 24 hours
- **Diarrhea-** keep child home until stool is formed.
- **Vomiting-** keep child home until they have not vomited for 24 hours.
- **Severe Cough and Cold-** keep child home with a serious cough. It can be contagious to others
- **Nasal Discharge-** keep child home with green nasal discharge. It is a clear sign of a sinus infection and can be passed easily from student to student when sick child rubs their nose.
- **Sore Throat-** can be a sign of strep or a common cold. Keep child at home for at least 24 hours if they have been diagnosed with strep throat. They must be on antibiotics for 24 hours prior to returning to school.
- **Pinkeye-** keep child home for 24 hours after treatment has been started. Highly contagious!!!! Symptoms include eye redness, irritation, swelling, and pus.
- **Fatigue-** keep child home if they are not acting like the bubbly, happy child they are and seem overly exhausted doing simple activities.

*** If medication has been prescribed by a physician for any kind of infection, students should not return to school until *at least 24 hours* after the medication has been taken to be sure they are not contagious. ***

***ALL medications, including over the counter medications, are required to have a doctor's prescription and must be signed in through the clinic by a parent or guardian. Students are not permitted to carry any medications during school unless cleared through the clinic staff and principal. Please call the clinic staff if you have any questions or concerns. Thank you ***

COMMUNITY ORGANIZATIONS ACTIVE IN DISASTER

The Mission of MCCOAD

The mission of Monroe County Community Organizations Active in Disaster (MCCOAD) is to coordinate effective, efficient, and streamlined service delivery to people affected by disaster, while eliminating unnecessary duplication of effort, through the four phases of a disaster: preparation, response, recovery, and mitigation.

What does a COAD do?

The Monroe County COAD is a forum where organizations share knowledge and resources throughout the disaster cycle to better assist disaster survivors and their unmet needs. The MCCOAD's role is to bring member organizations together with local Emergency Management personnel & enable them to understand each other & work together during the four phases of Emergency Management: **MITIGATION & PREPAREDNESS, RESPONSE, & RECOVERY.**

Four Phases of Partnership

- ⇒ **Mitigation and Preparedness:** Community education and preparedness, recruiting volunteers and donations, organizing and training volunteers, resource inventory of private, non-profit, and faith-based organizations.
- ⇒ **Response:** Volunteer and donation management, shelter workers and respite centers, volunteer generation, damage assessment/needs identification, muck-out and clean up crews, comprehensive situational awareness, individual assistance services.
- ⇒ **Recovery:** Short-term and long-term recovery committee, case management, rebuilding, financial support.

How to Get Involved

- Complete the Member Registration, MOU, and Code of Ethics and Conduct agreement for your organization and return to Loretta.Geotis@uss.salvationarmy.org
- Attend the monthly the MCCOAD meetings (our next Meeting May 24th, 2022 @ 1:30PM)
- **Advocate & Recruit!** Help identify those organizations that would work together in Partnership sharing resources throughout the disaster cycle, share this opportunity with them.

Who is Eligible to Apply for FEMA:

U.S. citizens, non-citizen nationals, and qualified aliens are eligible to apply for FEMA assistance (see below for definitions of non-citizen national and qualified aliens). Survivors who are not U.S. citizens, non-citizen nationals, or qualified aliens may still apply for FEMA assistance if:

- 1) Another adult member in the household meets the eligibility criteria and certifies their citizenship status during the registration process or signs the Declaration and Release form, or
- 2) The parent or guardian of a minor child who is a U.S. citizen, non-citizen national or a qualified alien applies for assistance on behalf of the child, if they live in the same household. The parent or legal guardian must register as the co-applicant, and the minor child must be under age 18 at the time the disaster occurred.

Non-citizen Nationals include:

- A person born in an outlying possession of the U.S. (e.g., American Samoa) on or after the date the U.S. acquired the possession.
- A person whose parents are U.S. non-citizen nationals.

Qualified aliens include:

- A legal permanent resident ("green card" holder).
- An asylee, refugee or an alien whose deportation is being withheld.
- An alien paroled into the U.S. for at least one year.
- An alien granted conditional entry (per law in effect prior to April 1, 1980).
- A Cuban or Haitian entrant.
- Certain aliens subjected to extreme cruelty or who have been a victim of a severe form of human trafficking, including persons with a "T" or "U" visa.
- Aliens whose children have been abused and alien children whose parent has been abused who fit certain criteria.

Parents/Guardians of Qualified Minor Children:

- The parent or guardian of a minor child living in the same household may apply for assistance on behalf of the minor child who is a U.S. citizen, non-citizen national, or qualified alien.
- The minor child must be under age 18 as of the first day of the incident period, Sept. 23, 2022.

Reminder: FEMA disaster assistance is intended to help survivors pay for basic necessities lost because of Hurricane Ian, and the money must be used for that purpose. Those receiving assistance are urged to keep receipts for their disaster spending for three years to document the money was used to meet disaster-related expenses. If applicants spend the payment on anything other than the purpose for which it is intended, they may be denied future disaster assistance. In some cases, FEMA may ask that the money be returned.
