READERS ARE LEADERS

Readers are Leaders – Media Center is a busy hub! Students are welcome to check out books from arrival to end of day! Your child can keep books as long as they like, unless other students request that title! The first Challenge of the year will start after Labor Day. Have a safe weekend.

The first Scholastic Book Fair will be held from September 12 - September 16. Dr. Cash needs help with the Book Fair, I have had several volunteers, but I can use more! Please call or email if you are able to help, in the mornings for about an hour.

Thank you Mrs. Brooke Black, Mrs. Lisa Brown, and Mrs. Maria Goodwin for volunteering your time. We were able to add many new books to the PKS Panthers Collection thanks to your time here.

Readers are Leaders are also committed to helping preserve our local environment. Do you know what **Precycle** means? Definition: to make purchasing decisions that will ultimately delay, reduce, or eliminate the need to recycle or dispose of waste. It is trying to reduce waste before it becomes waste. One way to Precycle is to buy in bulk, BUT only buying what you need, favoring less packaging, using things longer and using them up, sharing resources, etc. Initiating discussions about purchases before they're made (like at the grocery store, for example) is a great way to get kids interested in the idea of precycling. Another example is to try to not put all your groceries in plastic bags, many items, milk, for example, can be easily carried by hand. Your student is able to participate and plan to help with precycling! Let me know ways you do this at home, it can be shared with PKS Family via the Newsletter.

COMMUNITY ORGANIZATIONS ACTIVE IN DISASTER

The Mission of MCCOAD

The mission of Monroe County Community Organizations Active in Disaster (MCCOAD) is to coordinate effective, efficient, and streamlined service delivery to people affected by disaster, while eliminating unnecessary duplication of effort, through the four phases of a disaster: preparation, response, recovery, and mitigation.

What does a COAD do?

The Monroe County COAD is a forum where organizations share knowledge and resources throughout the disaster cycle to better assist disaster survivors and their unmet needs. The MCCOAD's role is to bring member organizations together with local Emergency Management personnel & enable them to understand each other & work together during the four phases of Emergency Management: **MITIGATION & PREPAREDNESS, RESPONSE, & RECOVERY.**

Four Phases of Partnership

- ⇒ **Mitigation and Preparedness:** Community education and preparedness, recruiting volunteers and donations, organizing and training volunteers, resource inventory of private, non-profit, and faith-based organizations.
- ⇒ **Response:** Volunteer and donation management, shelter workers and respite centers, volunteer generation, damage assessment/needs identification, muck-out and clean up crews, comprehensive situational awareness, individual assistance services.
- ⇒ **Recovery:** Short-term and long-term recovery committee, case management, rebuilding, financial support.

How to Get Involved

- Complete the Member Registration, MOU, and Code of Ethics and Conduct agreement for your organization and return to Loretta.Geotis@uss.salvationarmy.org
- Attend the monthly the MCCOAD meetings (our next Meeting May 24th, 2022 @ 1:30PM)
- **Advocate & Recruit!** Help identify those organizations that would work together in Partnership sharing resources throughout the disaster cycle, share this opportunity with them.
