VIRTUAL LEARNING BEGINS APRIL 1, 2020

The Monroe County School District has developed a comprehensive online distance learning program to support students during the CO-VID 19 Pandemic of 2020. Student Schedules have not changed at this time and teacher has prepared online content to be provided in real time via an online platform. All students can access materials and class information by following the directions below.

Students should login via Launchpad.classlink.com

Login is login ID (first initial last name) and password is 44Lunch#0

*District issued chromebook should auto load the classlink/my.keysschools.com page*

upon entering Classlink

All students will initially access all class components via Google Classroom.

 Below you will see a matrix of engagement hours for each teacher in Key West High School. Please take a moment to note the times in which student class schedules are providing engagement hours each day. Students can reach out to teachers via email with an expected response within 24 business hours.
