### **KWHS School Showcase**

Wednesday, February 8<sup>th</sup>, 5:30 pm to 6:30 pm

### **Tour and Explore**

5:30 to 6:30 pm

The SHOWCASE is an opportunity for students and parents to converse with staff about the academic and extracurricular opportunities at KWHS. It is important to gather as much information about courses and pathways to make knowledgeable decisions. Students will register for courses with school counselors; core courses are based on grades/test scores/attendance and electives are primarily based on student requests. Requests are locked in as of May 26<sup>th</sup> and no changes will be made thereafter for school-wide scheduling purposes. School counselors are available in the cafeteria for questions regarding scheduling. Access to **2023-2024 Curriculum** Guide is on our school's website at [www.keysschools.com/KWHS](http://www.keysschools.com/KWHS) under the *Academics* tab.
