Gavin finished with a perfect 6-0 mark. He defeated three wrestlers from California, one from Texas, one from Montana, and one from Montana on his way to capturing the Pre-Season National Championship in the 106-pound, 18U division. Congratulations Gavin.

As we get into Homecoming Week, it's important to remember that good behavior is key to keeping the event fun and enjoyable for everyone. Disruptive or inappropriate actions will not be tolerated, and anyone failing to follow the rules may be removed from the Lip Dub. Let's make this week one to remember!

The school wide lip dub is approaching. The class color parts will be filmed on Wednesday during Homeroom. Go all out in your class color. Also, make class signs to hold. The green and gold parts will be filmed Friday after Volleypuff. Wear Green and gold on Friday and make signs for Coral Shores. Your homeroom teacher has been given directions about where to go. This is a reminder to all students that your behavior is caught on camera. Anyone who does anything inappropriate will be held responsible. When the camera goes by show your best Coral Shores School Spirit.

The HIP club will be sponsoring a blood drive on Oct. 31. All donors will receive refreshments and a Halloween t-shirt. New this year, if you accumulate 4 donations before graduation, you will earn a cord to

wear at graduation. There will be a table at lunch to get your consent form and sign up or stop by the school nurse's office.

BE SAFE, BE RESPECTFUL, BE READY TO LEARN, BE RESPONSIBLE, BE EMPOWERED
