This week is Sandy Hook Promise See Something Say Something week. Thank you for creating inspirational messages to others. Tomorrow please wear green, don't be mean in honor of Sandy Hook Students and others who have been victims of school violence. You can include St. Patrick's day items to your outfit. Everyone plays a part to keeping our school safe.

Remember these steps

1) Recognize warning signs and threats

Learn to understand what is a warning sign or threat and where you are likely to find them.

2) Act immediately; take it seriously

Understand strategies to take action and overcome the barriers that may exist to being an "up stander" rather than a "bystander."

3) Say something to a trusted adult

Learn how to intervene when you see warning signs and threats by telling a trusted adult, and know who those trusted adults are that you can go to for help.

Seniors: If you meet the requirements for the Florida Bright Futures scholarship program, you must fill out the Florida Financial Aid Application (FFAA). Please reach out to Ms. Rodriguez if you have any questions.

Seniors...as we approach the end of the year it's time to start thinking about taking care of your final high school obligations. If you have a Library, textbook or chrome book fine, you should have received a notice in your 2nd period homeroom class. If you have any questions about these or other final obligations please see Mrs. Haddad after Spring Break.

Kayleigh Morris won the gift card after finding a piggy bank for school safety prevention. Banks keep money safe, students and staff keep schools safe. Thank you for all who took part in the scavenger hunt.

Students, please be aware that because of an increase of traffic in the morning, please allow yourselves enough time to arrive to school on time. Remember – tardies that are not excused are marked unexcused and may result in lunch detentions.

Attention all freshman, sophomores and juniors. Please make sure that you join the counselor google classroom and follow ALL of the steps to complete your course requests for next year. The join code is on your course request sheets. Sheets should not be turned in to your 6th period teacher until all steps have been completed. Also, don't forget to come the Hurricane Showcase tomorrow night starting at 5PM.
