Teachers become teachers because they believe in the potential of young people. If your teacher has made a difference in your life, consider honoring them by nominating them for Teacher of The Year. Students, parents, and community members are welcome to nominate a teacher that has worked in the Monroe County School District at least 3 years. Nomination forms can be found in the main office and can be turned in to Mrs. Lozano.

There will be a brief meeting for anyone who is interested in playing girls basketball after school at 2:40 on Wednesday September 20th in Coach Thomas's classroom next to the locker rooms. If you are interested in playing girls basketball this season, please stop by the meeting.

Students, the Parental Consent for School Health Services form is due to your homeroom teacher by this Wednesday's Homeroom. If you need a new copy, please see the Front Office.
