QUICK TIPS

Lack of sleep can cause irritable or hyperactive behavior and might make it hard for kids to pay attention in class. It's important to have a consistent bedtime routine, especially on school nights. Leave enough time before lights-out for your child to unwind, and limit media use like TV, video games, and Internet access.

It's Book Fair Time!

Parents: In order for you child to purchase books from the book fair, a permission slip must be signed and returned. They were sent home last week.
