ARTCAMP!  
FOR CHILDREN  
AGED 5-10

FORT EAST MARTELLO

Before US Highway 1 was completed, tourists would go to great lengths to vacation in Key West. Spending days on a train, flying in planes that landed on the water, and catching car ferries were just some of the obstacles that travelers experienced. During this 3-day camp, we will explore these different modes of transportation through hands-on learning and outdoor field games.
