

Stanley Switlik Elementary School SAC Meeting Minutes
January 29, 2020

1. Construction update-
We have moved into new buildings. Furniture has all arrived. Next week, we will have new outdoor furniture. Tuesday, our outdoor amphitheatre will begin to be available...Blue fencing will be removed next week revealing our new amphitheater. Playground equipment is arriving in phases. We are awaiting the arrival of a third piece. We will also have a tennis court, volleyball court and pickleball, an exofit fitness area as well as an outdoor teaching area with wifi. We anticipate all of these areas to be complete by the end of February. The front office is up and running. We have security cameras throughout the campus to ensure security and safety. Classroom doors will remain locked at all times. Teachers have keys to unlock doors and scan cards to access exterior doors.
2. We will be planning an open house in March for all to see our brand new campus.
3. Parent drop off/pick up –
The first day didn't go as smoothly as we had hoped. Second day and on has improved significantly and seems to be going really well at this time. We are working towards making more improvements with dismissal.
4. Stop the Bleed Training –
We participated in Stop the Bleed Training for two hours on two separate occasions. Training was provided by Cesare from the Monroe County Fire Department. Kits are installed throughout campus.
5. AVID Introduction –
“This is AVID” video, courtesy of Christy Meier.
