Notes

Teachers should plan to be available by grade level whenever possible.

Overlap is inevitable; however, when possible take into consideration staggering based on grade band or cluster of course schedules (ex. 6th grade stagger). This schedule must be completed and published on the school website as well as included in the student access template to be distributed March 27, 2021. Electives should be a dedicated period of time across the school. (ex. Electives are available for engagement from 9-12pm)

Please note that a student should not be expected to participate for more than 1 hour per subject per day. When possible, all live interactions should be
