6. Construction update:

The campus is looking beautiful and classrooms look amazing. We expect the front fields to be available on October 1st.

7. Campus arrival and dismissal

We have arranged for buses to stagger their arrival time and we are able to get students into their classrooms right away. We are also staggering parent drop off and pick up by grade level. We have three times the amount of students riding in cars than normal, therefore we are doing all we can to keep traffic moving in an efficient manner. Officer Bull will direct drivers to help us keep everyone safe during drop off and pick up.

8. Back to school plan

Headstart, VPK, PreK ESE, kindergarten and first grades started face to face instruction on Monday, 9/8. Today we welcomed second and third grades. We will welcome fourth grade students tomorrow and fifth grade students on Friday. Students are practicing social distancing and understanding procedures. We will continue face to face instruction next week while continuing virtual options for those who want to continue while making efforts to utilize our resources in the best way possible. The deadline to transfer to Monroe County Virtual School is 9/30. Additionally, in an effort to limit exposure, each homeroom class will remain with the same specials teacher for one week and rotate to a new specials class the following week.

9. Please join us for our next SAC/PTO meeting on Wednesday, October 14th at 5:30.
