Our 35 year annual Jogathon will take place this year January 25th-January 29th. Classes will be running individually and students will be allowed to run without masks over their face, once they begin running. Walkers will wear their masks over their face. Parents may sign an opt-out form if they prefer their child to sit out this year. We will take lots of pictures!

Finalists will compete in the run-off on February 5th.
6. Celebrate Literacy – Tanya Sly
Celebrate Literacy will also take place the week of January 25th-29th. We have guest readers scheduled to read in person and have some guests reading digitally. Each day will have a special theme; flyers will be sent home soon.
7. Construction update – Christine Paul
Front fields have some setbacks with sod that has been removed, replaced and then treated. It is still a work in progress. We anticipate our MCISD landscaping team will be able to take over the process in February.
8. Healthy Schools update – Christine Paul
We are still working hard to prevent further spread and not at the point where we can ease up on restrictions. Since our return to campus following Winter break, we have had 2 cases reported. We will continue to inform parents of positive cases.
