Teacher Report ~

Monica Horsley

Wednesday May 19th is the last day of testing

Teachers are still going strong/full steam with only 8 days of school left ~ lots of projects

Summer Beach Program has launched for parents to sign up children before this Friday ~

Becoming Engaged & Confident Healthy Kids (info on Facebook and website)

Safety Patrol is currently in DC

Grading period ends next week

Jeremy Nelson

EOC testing ends Wednesday for 8th graders.

Very complimentary of how well the testing ran ~ very smooth

Proud of the kids and they working hard.

8th grade has numerous activities coming up to celebrate and honor their last year at middle school including funny awards. There will be a virtual/live streaming of graduation next

Wednesday followed by a fun day at Jacobs Aquatic.

Volleyball is already scheduled next year on the sports calendar

Field day events scheduled as well for 6th & 7th grade.

Old Business

Revisit cellphone policy ~ students are not allowed to have their phones the entire school day except for lunch time. Even then ~ most students are outside playing hard on the field or playground

Sewer odor ~ Lauren Dunn contacted Waste Management. They are aware of the odor, have submitted permit requests to renovate the facility

Dress Code ~ this year has been a little relaxed and not cracking down on every minor infraction. Trying to be more understanding/compassionate due to the economic situation. Changing of clothing requests are still being done for the really out of ordinary. Will start off right again with the new school year with plenty of reminders

PKS does purchase a lot of clothing for families and are here to help anyone.

Meeting adjourned 6:15pm.

Shirley Wilson ~ motion

Jessica Serota 2nd
