Testing Update-busy training, creating rosters and checking accommodations.

COVID Update

No cases at KLS for the past two weeks (3 in the past month)

The district has had 1057 cases this year

School Safety and Security –Safety check tomorrow. A threat was made and we can't share the outcome for individual students. We can share that the student has consequences, there is law enforcement involved, they work in conjunction with us, they go to the house. There are many things that have to be met before the student can return to school. We also provide certain outside services for any student in this same situation.

We have to keep working with the kids to say something when they see something.

We are going to get vape sensors with cameras that are activated to point to the door when the alarm goes off.

Middle School & Elementary Schedule Update

Committee and been working hard to adjust the schedule to best fit the student needs

We just received allocations and staffing so we now have an idea of what we have to work with.

District Strategic Planning/Town Hall Update

April 12th the school district will have two of the goals in draft form for public input for the school board meeting

April 26th the other two will be presented in draft form for public input at the school board meeting

The goals will be on the agenda for the school board meeting. The agenda can be found on the [school board meeting district webpage](#).

Summer School/Summer Rec

It will be at PKS from June 13 through July 8th.

Forms will be coming out at the end of April.

We may have VPK early.

We looked at next year's calendar which is on the district website.

The next meeting is on April 19th at 6 pm in the Media Center.
