Teacher Report

Monica Horsley – Everything going great at school. Movie night was a huge hit combined with Safety Patrol. Basketball has their last game in Sugarloaf. Afterschool clubs back in session except drama club. Mrs Kat is trying to get 5th grade band going.

Principal Report

List Taylor - School overall is going very well. Seeing less covid, numbers are down. Movie night was a huge success. Afterschool programs are going very well. Fieldtrips are wanted but we are short bus

driver staff. Have been working to get more full time drivers, but hard to find. Also have had an add for after care posted for 2.5 years, still no luck.

Kristen – Any help needed for the dance?

Lisa – Still waiting for that information. Student Council is planning the entire dance.

Jo – How does Student Council work?

Lisa – Homerooms nominate individual students. From those students, they nominate officers. Meetings are held during lunch.

Michelle – Enter Local Agreement - Can we hold t-ball practice on the field?

Lisa – Yes but it's FCFS. Please refer to School Dude and request field use for a specific day/time and see if you can get that approved.
