**Student Report**

Students not at meeting so given by Jeremy Nelson  
Students would like to do another dance. Valentine's Dance was a huge success.  
Student Council is preparing a "Finish Strong" spirit week prior to upcoming testing

**Teacher Report**

Girl's basketball recognized.  
4-8<sup>th</sup> grade working on writing  
Students working on practice runs for testing.  
Career week next week March 14-18

**Principal Report**

Maida – Required to do testing run-throughs. Students have been practicing throughout the year. Allows students to practice in a familiar place with their proctors. FSA letters went home last week. Writing test 1<sup>st</sup> week of April. Will be testing in smaller groups. Students seem to do very well.

### **Review of By Law Changes**

Motion to Approve – Lisa Taylor

### **Committee Nominations**

Need to send out a notification requesting interested parties for next year's members and nominations. Current members are willing to stay on next year. Each member asked to reach out and try to encourage at least one person to join. Members asked to think of ways to get more members, and increase diversity.

Meetings are usually included in weekly newsletter and zoom link is emailed to all parents.

New idea to add a form allowing parents to ask questions and get answers in meeting minutes.

### **Old Business**

Balloons - Students told not to release balloons after dance, but did so. Not sure what can be done to prevent that in the future

Dress Code Consistency – We cannot change our dress code at this time but will consider doing a special “treat” day for PBIS like pajama day or hat day.

We Don't Say That Here – Was not communicated to parents by District. It has made a noticeable difference. Teachers have done a lot of coaching. Most students say they think what they say is funny, but do not realize it actually hurts. Coaching is making a difference. Students are catching each other slip up. Only one suspension since roll out of We Don't Say That Here.

### **New Business**

8<sup>th</sup> Grade Graduation

Dress Code – see Old Business regarding holes in jeans

Questions from Members – We can put out a form for parents to ask questions without attending meeting. All answers will be posted in meeting minutes.

### **Next Meeting**

April 13<sup>th</sup>, 2022 at 6 PM following PTA meeting

### **Meeting Adjourned**

Motion to adjourn by Mary Ann Goodwin at 6:40 PM
