**Teacher Report**

Mr. Nelson

FSA testing is going great despite high absent rate due to sickness. Kids are working hard and doing great. Preparing for field days and fun activities for them as well.

**Principal Report**

Mrs. Lisa Taylor

Usually we have a 98% attendance for testing days, however due to illness it is much lower than years past. More than 20 kids out each day. Keep kids home when they are sick. Unfortunately there is no wiggle room for make-up tests. For 3<sup>rd</sup> graders that missed reading test, options exist for moving onto 4<sup>th</sup> grade such as: looking at portfolio and other tests. "Don't sweat the small stuff" is what we learned during Covid shutdowns.

8<sup>th</sup> grade Graduation May 26 at 8 am outside PKS. Middle school has field day planned and other grades are taking field trips. Safety Patrol is going to Washington D.C. next week and new Safety Patrol members will be chosen soon for next year.

End of year PBIS field day is May 23 8:30am-12:30pm. All grades will attend, many inflatables including water slides. Held at PKS this year. Volunteers are needed for the event. More info to come.
