Why were monies given to UKF when is stated to be donated to the Tennis club? The Athletic Director said the reason it went to UKF was they fronted the original funds when the Tennis club needed it, and this was the repayment to them for those funds. The parent stated that the Tennis team is planning to do fundraising for next year.

How can the Track team get a score board at CSHS? We will check into if we can get one, but the Track team can start fundraising for one.
