Safety & Security

New window cover installed

AVID Update

Career Day is February 10th. They are looking for presenters-Mr. Pais/Mrs. Zepeda/selected students will be attending the school board meeting

Free Reduced Lunch

We have until Feb 6th to get everyone in.

FAST Testing

PM 2 scores are posted in parent portal-parents reach out to teacher if you need your child's access code

Field test writing test window is April 3-7th-more information to come

PM 3 window May 1-25th-this includes K-2 STAR and FAST 3-8th

Budget projection

The district has started the budgeting process. I am waiting on the forecast form to start working on.

We have a final student count the week of February 6th. We need every student to come to school that week so we can get the count correct.

We don't want the projection to differ from enrollment by too much (18 students is one teacher unit).

Mid-year SIP Update

Mid-year packet available with most current mid-year data.

FLASH Curriculum

Comprehensive Health Education is required instruction per Florida State statute 1003.42(2)(n). The curriculum includes 13 components of health that are age and developmentally-appropriate.

The topics are consumer health, community health, environmental health, mental and emotional health, injury prevention and safety, internet safety, nutrition, personal health, prevention and control of disease, substance use and abuse, and prevention of child sexual abuse, exploitation, and human trafficking. Human growth and development, including puberty and sexual health education, is an integral part of these components.

The Monroe County School District acknowledges that parents/guardians are the primary sexuality educators for their child(ren) and we are committed to partnering with you to provide supplementary resources to support you in this role.

6-12 Comprehensive Health Content		
Grade Level	Topic	Link to Content
Grade 6	Adolescent Development	FLASH Grade 6
Grade 7	Human Reproduction	Flash Middle School
Grade 8	Human Reproduction	Flash Middle School
Grades 9-12	Abstinence STIS (Including AIDS/HIV)	Flash High School

Parents/guardians have the right to opt their child out of any portion of the school district's comprehensive health education required under 1003.42(2)(n) that relates to sex education instruction in acquired immune deficiency syndrome education, or any instruction regarding sexuality.

[Digital copies of the materials](#) presented are available for review on the district website

A paper copy of the opt-out form home is available online and will be provided via paper approximately three weeks before the lessons are scheduled to be completed.

Families can print and sign the [printable opt-out form](#) linked below, and return it to your child's school.

This can be found on the district website under Teams->Teaching and Learning->Curriculum->Comprehensive Reproductive Health (on left side)

Each grade has 13 components. They can be once a week or however it works out for the teachers.

Internet Safety

Feb 27th [Katie Greer Internet Safety Presentation](#) to parents 6pm CSHS
March 8th Faculty Meeting to watch video. 3:30 pm.

Middle School Sports

Sports survey will be sent to MS students to choose options they are interested in
Football will be coming to KLS next year
Tentatively cross country/girls softball/baseball/choir (add to drama program)
Students are showing pride in what they are doing
Activities in MS are improving discipline issues

Next SAC is February 21, 2023.
