### AVID Update

AVID career day was a huge hit! A hug thank you to the parents, students and community members that participated. KLS is sending 10 people to AVID summer institute-Ward and Fisher must attend as admin and focusing on MS math teachers-Mrs. Zepeda/Mrs. Brown will be instructors at the conference

### Testing Calendar

A preliminary testing calendar has been created and will be approved prior to the next meeting. As soon as the calendar has been finalized, it will be pushed out to parents and students (and added to the KLS calendar.) Monroe County Upper Keys schools have been chosen to pilot the BEST writing test in grades 4-10. Information regarding the writing test will be sent out when we receive it from the district. Access testing has been a success. Thank you to Mrs. Monteagudo, Mrs. Booth, Ms. Zofchak, and Miss Rodriguez for doing such a wonderful job getting the testing complete (with the exception of 3-students.)

Spring testing will include:

- STAR PM3 grades K-2 (Early Lit/reading/math)
- FAST PM3 grades 3-8 (reading/math)
- STAR grades 3-8 (reading/math)
- Science grades 5 & 8
- Civics EOC
- Algebra EOC

### School Safety and Security

#### Threat Update

Boy was brought to the Keys. Passports were taken away from the family. Bus issue from 2/13 was handled with the help of the teachers and parents. Many teachers remained until past 5pm in order to provide supervision to the students and assist with contacting parents. The district is reviewing the bus policy for when buses can not run. Mr. Pais will get more information regarding buses at a later date. Mr. Pais met with DOT and they're going to come and conduct a survey. Consideration of a NO U TURN sign up in the median near Sheriff car (by the DOT.) It was also discussed a possibility of putting a RIGHT TURN ONLY sign to exit school. DOT will be invited to a future SAC meeting.

## Attendance

KLS will be implementing an attendance incentive to improve students attendance in order to boost student achievement. The theme is SPRING HAS SPRUNG **\*\*For morning announcements (beginning February 22):** Spring has sprung, school is FUN! Starting March 1st, all students can earn an invitation to a school-wide pizza party AND be entered to win a gift card at the end of the month by being present all day and every day! Also, keep practicing your POWER Skills to earn POWER dollars for the Power Dollar Store and the gift card raffle, both happening before Spring Break. Remember, POWER stands for: Prepared, Organized, Work to Succeed, Eager/Active Learner, and Respectful.

## Middle School & Elementary Schedule Planning

Scheduling committee has begun working on modifying the elementary schedule for the upcoming school year. A committee of teachers from all grade levels are participating in the revamping of the KLS school schedules to increase student engagement and create opportunities for students to participate in a variety of activities during the school day as part of their FLEX time for middle school and in elementary school the addition of Spanish/Culinary class. This year's big focus will be on the elementary schedule.

## Middle School Discipline

All around inappropriate comments are starting to show up. Students will be suspended 3 days for comments or longer. When the student returns, they will enter ISS for an educational/restorative program based on their comments. Students will have to finish the program before they can go back to class.

## Internet Safety
