Highly Effective Grandfathered Salary Schedule Supplement

For the 2019-2020 school year, a teacher paid on the Grandfathered Salary Schedule who receives an annual summative evaluation rating of Highly Effective, that teacher shall receive an additional supplement in the amount of \$300. Highly Effective Grandfathered Salary Schedule Supplements are cumulative. Once received, supplement amounts shall continue for each year the teacher is employed by the MCSD.

For the 2019-2020 school year any monies paid a teacher under the Highly Effective Grandfathered Salary Supplement shall be utilized for purposes of calculating advancement between tiers for advanced degree supplements regardless of the teacher's actual level placement on the Grandfathered Salary Schedule. If a teacher receives Highly Effective Grandfathered Salary Schedule Supplement monies, which, had those monies been salary dollars compared to supplement dollars, would have placed that teacher on a level on the salary schedule where the advanced degree supplement amount would have increased, then that teacher shall automatically receive the higher level advanced degree supplement, just as if level movement had occurred on the salary schedule.

Initial Salary Schedule Placement:

New hires to the MCSD in 2019-2020 will receive only the salary increase for placement on the new salary schedule and are not entitled to additional movement. Placement shall be based on all verified years of teaching experience

As of July 1, 2015, all years of verified traditional public school or accredited private school teaching experience (in-state or out-of-state) will be recognized by MCSD for initial placement on the salary schedule for new teachers hired within the system. Initial placement will occur in the following manner: the first ten (10) years of experience will be credited by granting one full level (3 increments) for each year of verified experience; each year thereafter will be credited by granting two-thirds of a level (2 increments) per year of verified experience. The salary of the new hire will be changed on the regular pay date following verification of the teaching experience. Teaching experience must be verified within ninety (90) days from the date of hire. Critical needs exceptions for higher placement on the schedule shall be reviewed and agreed upon annually by the Superintendent and UTM president.

Salary Schedule Advancement:

Following initial placement, teachers shall move on the salary schedule in accordance with the following stipulated provisions:

- 1) A teacher being paid on the grandfathered portion of the Salary Schedule receiving a satisfactory annual summative evaluation rating shall move one (1) full level on the schedule for each school year in which the satisfactory rating is received. No level movement shall occur for a rating that is less than satisfactory.

- 2) A teacher being paid performance pay on the Salary Schedule receiving an annual summative evaluation rating of Effective shall move one (1) full level for each school year in which the Effective rating is received. A teacher being paid performance pay receiving an annual summative evaluation rating of Highly Effective shall move one (1) and two-thirds (1 2/3) levels for each school year in which the Highly Effective rating is received. No level movement shall occur for an annual summative evaluation rating that is Needs Improvement or Unsatisfactory.

- 3) If a teacher has previously been denied salary schedule level movement due to an annual summative evaluation rating score, movement equal to one (1) full level shall be reinstated provided the teacher has received two consecutive annual summative evaluation ratings of Effective or higher.

Each full level on the salary schedule is fractionalized into thirds. Each increment is one-third (1/3) of a full level. Movement of one (1) full level on the schedule requires moving three (3) increments or three (3) thirds.

Best and Brightest Award Program:

For the 2019-2020 school year, pursuant to Florida Statute 1012.731, qualifying teachers will receive the following bonuses to be paid out in two installments: one-half at the end of the first semester and the remaining half at the end of the second semester.

Highly Effective teachers - \$2,500

SUMMER/ ADULT PROGRAMS HOURLY RATES

Instructors teaching in Summer School and Adult Education Programs will receive their regular hourly rate up to \$40 per hour. Hourly rate is determined by taking annual salary and dividing by 1,470 hours (196 days X 7.5 per day). Those instructors whose hourly rate exceeds \$40 per hour will be paid a maximum of \$40 per hour.

Summer School Employment is for 170 hours of work, which includes at least 150 hours of instructional contact time with students and a maximum of 20 hours of planning and student supervision at the school site.

The operation of a summer school program for less than 150/170 hours must have the written approval of the Superintendent. A school(s) may operate its summer school program for less than 150/170 hours with the prior approval of the Superintendent. However, whatever reduction takes place in the 150/170 hours will result in a proportionate reduction in the salary earned by the summer school instructors.

Current day school instructional employees assigned to the adult program on a full time basis shall remain on the teacher salary schedule provided their normal workweek is 37.5 hours. Current instructional employees teaching part-time in the adult program in an after hours capacity shall be paid according to the above schedule. No employee currently working in the district at the time of this agreement shall be adversely affected by the new salary schedule and shall be placed on the schedule at the step where they will receive the same or greater salary.

Employees performing instructional duties in the adult education program under a special licensure shall be paid as a Bachelor's Degree Employee. Years of experience in the field of special licensure shall be granted provided that they are verifiable. No employee currently working in the district at the time of this agreement shall be adversely affected by the new salary schedule and shall be placed on the schedule at the step where they will receive the same or greater salary.
